Mr. Lookingbill and his wife were absent from home and there had been no fire about the premises from early morning. The fire broke out suddenly and when discovered the whole building was in a blaze. It transpires that the name of Mrs. Taylor, of this city, was not the only one used by the swindler who succeeded in obtaining goods from Messrs. Blake, Dowell & Helm, of Baltimore, on a forged order. On the 13th ult. Messrs. Armstrong, Cator & Co., received an order purporting to have been sent by Mrs. Kate L. Sherman, of this city, for a lot of goods, which were promptly shipped to her by express. She received them and at once notified the senders that she had not ordered them. They wrote her in reply sending the forged order. They were aware that it was not written by Mrs. Sherman, but concluded that it had been done by her authority and so forwarded the goods. It is supposed the purpose of the swindlers was to have obtained possession of the package from the Express Company, but their plan for some reason miscarried. The goods sent to Mrs. Sherman were valued at upwards of $43. They were returned to Messrs. Armstrong, Cator Co., whose only loss in the premises amounted to the cost of expressage.

A., Hewing; G. S., Col. Schley, acting as conductor. The following officers were installed: W. S. M., J. T. Anders; W. M., Thomas Zepp; J. M., F. A. Grolock; R. S., C. H. Baughman; F. S., Jas. H. The installation services, which were performed in an impressive manner, were interspersed with vocal and instrumental music that highly delighted the large audience. Solos were sung by Misses Georgia Franklin and Lila Snyder and by Mr. E. Gehr Smith, in a very attractive manner; several flute and clarionet solos, by Prof. Dielman, of New Windsor, with organ accompaniment by Prof. T. F. Rinehart, of Western Maryland College, elicited the warmest evidence of approval, and the playing of the orchestra, under the leadership of Prof. John Royer, was highly applauded by the audience. Addresses were delivered by G. S., Col. Wm. Louis Schley and P. G. A., Wm. T. Moody. Col. Schley spoke of the progress of Westminster Lodge, which numbers 92 members and has upwards of $2,000 in its treasury, besides having expended, during its ten years of existence, about $1,300 for sick benefits and for the assistance of widows and orphans.

A most interesting feature of the evening was the service of refreshments, consisting of ice cream, cake, fruits, &c., in great profusion, which were greatly enjoyed by the audience, numbering about three hundred persons, most of whom were present by special invitation.

### Thoroughly Newsy.

The Littlestown *Independent* says: "Although a little late, yet not too late to say a good word—or rather to show our esteem for a thoroughly newsy and exceptionally well edited paper. The Westminster SENTINEL has entered upon its fifty-eighth volume with even brighter prospects than it has enjoyed in the past. Carroll county is blessed with live local papers—the SENTINEL being abreast with any of them."

The "grip" is still with us and many persons in the surrounding country are suffering with it, and the physicians of the community are kept very busy.

On last Sunday Miss Lottie Stansbury passed peacefully away at the age of 55 years. About two weeks previously she was attacked with the prevailing epidemic, but had so far recovered as to be able to be out again. A relapse occurred and pneumonia soon developed and terminated fatally. Miss Lottie was an earnest and active member of Trinity Reformed Church and Sunday School. Funeral services were held on Tuesday afternoon, which were attended by the Sunday School in a body. An able and impressive funeral discourse was delivered by Rev. J. N. Miller, the pastor of the Church, from the Gospel according to St. John, 11th chapter, 25th verse. The pall-bearers were Messrs. Geo. A. Shower, C. Miller, C. J. H. Ganter, James Houck, George Maurath and H. Myers.

### Shipley Items.

Mrs. Sarah Frizzell, of whom we spoke last week as being so ill, died on the 24th and was interred at Deer Park cemetery on the 26th inst., in the presence of a large concourse of people. Rev. Wm. A. Crouse, of Deer Park circuit, officiated, and preached a very able and impressive sermon to the audience, from the latter part of 10th verse of the 23rd chapter of Numbers: "Let me die the death of the righteous, and let my last end be like his." The deceased was 66 years, 3 months and 3 days old, and leaves one daughter, two grand-children, and a few other near friends to mourn her loss. She was the wife of the late Richard Frizzell, who died September 4th, 1888. ### A Reply From Winfield.

One of the Winfield correspondents of the SENTINEL last week gave free rein to his imagination and so strange things passed in vision before him. He fancied that something was after another party instead of himself, and so told, in graphic languauge, how a father-in-law suddenly took the grip—upon the neck of his son-in-law. My friend though greatly mistaken, is excusable at the time, as ever since the cider season began he has partaken of the beverage too freely and it has caused strange things to trouble his excited imagination, such as demons, serpents, toads, lizards and the like, and last and worst of all, la grippe. And this being more than he could bear he attempted to cast it off on the neck of a friend, who kindly accepts the burden for the sake of relieving the correspondent of some of his imaginary troubles. Let me say to him,

Take no more cider, while it is hard and red,
For all can see how it affects your head.

GRIP-ON-THE-NECK.

The bill to extend the charter of the Farmers' Mutual Fire Insurance Company of Dug Hill, Carroll county, was passed by the House of Delegates on Thursday.

John Friese was put on trial in the criminal court of Baltimore, on Thursday, for the murder of Miss Georgie Virginia Stone, at Hampden, September 29th, 1889. Friese had been paying attention to Miss Stone for some time previous to the murder, but had been discarded. On the day of the tragedy she was walking along the Maryland Central Railroad with Robert Mohar, when Friese approached and after some conversation about a ring deliberately shot her twice, one shot taking effect in the right eye and the other in the chest, inflicting wounds which subsequently produced death. Friese also shot at Mohar. The facts of the killing were abundantly proven and the defence made no attempt to negative the testimony, but interposed the plea of hereditary insanity. The case was given to the jury at 7.35 Thursday evening, and a verdict of murder in the second degree rendered yesterday morning. Friese was sentenced to ten years in the penitentiary.

Mrs. John K. Cowen, president; Mrs. Dr. Cyrus M. Ginrich, secretary; Mrs. Charles Claiborne, Mrs. J. C. Cottingham, and Mrs. Charles Leutbecher, vice-presidents of the Confederate Widows and Mother's Home, were at Annapolis on Thursday talking to members of the ways and means committee, who gave them a special hearing, in the interest of that institution, which is located at the corner of St. Paul and First streets, Baltimore. The ladies succeeded in enlisting the sympathy for their enterprise of many legislators. They want $5,000 a year, and think that they are as much entitled to it as the Home of Confederate Soldiers. Mr. Colton introduced their bill.

Last Saturday the members of the Pan-American Congress visited Baltimore and were handsomely entertained at the Carrollton Hotel. Before the feast, however, they visited the points of interest in the city and suburbs. They saw the elevators and steamship piers at Locust Point and Canton, the steel works at Sparrow's Point, the South Baltimore Car works, and other business and manufacturing establishments. The accounts of the affair indicate that they were highly pleased with all they saw, and duly impressed with the advantages of Baltimore as a commercial port and mart of trade.

Saturday, fire destroyed the Stevens block in Gardner, Mass., loss $85,000; the building southeast corner of Fifth and Sycamore streets, Cincinnati, loss $300,000; the premises of the Bishop Engraving and Printing Company, Montreal, Que., loss $55,000; the foundry of Moses Parker, in the same city, loss $20,000; the building occupied by S. Twose, furniture manufacturer, and the National Bank building, in which were the offices of the Bell Telephone Company and the store of H. A. O'Dell, general dealer, Sherbrooke, Que., loss not estimated.

It is reported that Mr. Johnson has agreed, in deference to the wishes of Postmaster Frank Brown, to defer assuming charge of the Baltimore postoffice until the 16th inst. Mr. Johnson has not yet announced the appointment of Assistant Postmaster and it is now said that neither Gen. W. E. W. Ross, nor Mr. James T. Caulk, both of whom have been prominently mentioned in connection with the place, will be the successful man. Mr. Johnson has gone to Boston and will not announce the name of his assistant until his return.

Gov. Jackson, in anticipation of a vacancy on the bench of the Court of Appeals by the retirement of Judge Stone, wrote to Mr. Richard H. Edelin, of Charles county, and tendered him the appointment. After mature deliberation Mr. Edelin has respectfully declined. He probably has no desire to surrender his practice for the pleasure of occupying a judgeship until the next election. Mr. John P. Briscoe, a son of Ex-Secretary of State Briscoe, it is said, will probably receive the appointment.

The coroner's jury in the case of the murder of Mrs. Dr. Kniffin, at Trenton, N. J., has rendered a verdict that she died from the effects of chloroform administered by persons as yet unknown. Certain important evidence was withheld from the jury, but is in the hands of the prosecution and will be produced when the case comes before the grand jury. The verdict of the coroner's jury is not an exoneration of Dr. Kniffin and Miss Pursell.

Two banks in New York, the Sixth National and the Lenox Hill, have failed during the past week. They were intimately associated in their transactions, and are reported to have been exceedingly reckless, not to say crooked, in their manner of conducting business. Confiding stockholders and depositors will be heavy sufferers. Warrants have been issued for the arrest of some of the officers of the suspended banks.

Lee Miner, a well-known cattle buyer of Tekamah, Neb., became insane Monday morning, and suddenly assaulted Leander Scott, a young man employed at the Sioux City (Iowa) Stock Yards, cutting his throat with a dirkknife. The jugular vein was severed, and Scott died in a few minutes. The murderer then sat down and calmly waited to be arrested.

Mr. E. Heindle, a prominent miller and farmer of Green Ridge, on the the Baltimore and Harrisburg Railroad, in York county, Pa., was run over and killed by a passenger train while walking on the track, near his home, on Thursday afternoon. He was about 55 years old and leaves a wife and daughter.

and is improved by a large and comfortable Dwelling House, with large parlor and sitting room on either side of the hall. The house contains large and comfortable chambers above, and has backbuilding and kitchen annexed. There is a large porch, 12 feet in width, extending along the entire front of the house. The outbuildings consist of a large and convenient bank barn, with granaries attached, corn house, dairy and other necessary outbuildings; all the buildings have been erected since 1878. The dwelling is well located and surrounded by a number of shade trees. There is a never failing spring of most excellent water near the dwelling and barn. The buildings are situated about one-quarter of a mile from Gorsuch Station, on the B. & O. Railroad. There is a fine apple orchard, in good condition and in full bearing. The farm is well watered and under good fencing; two county roads pass through the place.

This property is considered one of the most desirable farms in Carroll county; it is particularly adapted to the dairy business. The neighborhood is good, and its close proximity to the B. & O. Railroad, the station and switch being on the farm, churches of various denominations and schools, make it a most desirable property, and a rare chance is here offered. Persons desiring further information, or wishing to see the farm, can call on or address the trustee, at Sykesville, Md., residing near the place, or call on or address George M. Pearce, Westminster, Md.

Terms of Sale.—One-third part of the purchase money to be paid on the day of sale or on the ratification thereof by the Court, and the residue in two equal payments, the one in one year and the other in two years from the day of sale, with interest, and to be secured to the satisfaction of the undersigned.

## PRIVATE SALE.

## Agricultural, Seed and Implement WAREHOUSE.

## A RARE CHANCE.

THE undersigned, intending to leave Union Bridge, offers at private sale his large Agricultural Implement Warehouse and Stock, on Elgar street, near the Depot, Union Bridge, Md. The building is frame, 25x40 feet, and substantially built, with shed attached, and is complete in every respect to conduct the Agricultural business. Being located in a good farming community, and in close proximity to the depot, makes it a good stand for the business. This is a rare opportunity for any one contemplating going into business, as property presenting such advantages is seldom offered in this market. A good seed trade has been done at this house during the past season, and it could be made a first-class Seed House in connection with the Implement trade. The reason for desiring to dispose of the business is on account of ill health. For terms and further particulars apply on the premises, or address the undersigned.

## STOCK - TAKING

CLEARANCE.

A Clean Sweep all over the House.

Bargains without a Parallel.

We begin at once a stupendous Clearance Sale of our entire store preparatory to taking stock. The continuous mild weather has left us fearfully overstocked, so that it becomes absolutely necessary to cut prices and profits down to a minimum. In fact we find it necessary to sell some things at COST and some under. DRESS STUFFS, COATS and Heavy Winter Wearables all come under the cost and under cost.

Anticipating an enlarged trade we stocked up more heavily than we ever did, and while our business has broken over last year's record still we are in a tight place so far as heavy stuffs are concerned. This coming week, therefore, you can look forward to obtaining bargains—genuine bargains—such as you have seldom, if ever, obtained in Westminster.
