THE THIRD NATIONAL BANK

OF CHESTERTOWN, MD.

The Only National Bank in Kent County

"THE BANK WHERE YOU FEEL AT HOME."

Every courtesy and accommodation that can be possibly extended will be shown you at this Bank. Make our Banking Rooms your MONEY HEADQUARTERS. Kindly bear in mind that we do not ask you to spend any money or to buy anything. You are out nothing, but ahead a great deal by establishing the Banking Habit.

Without encouragement or incentive anyone would just naturally drift along—careless about present money affairs, unmindful of future advantages. But don't you see we are putting squarely before you that incentive? The THIRD NATIONAL BANK OF CHESTERTOWN, MARYLAND, deliberately asks you to join its rapidly growing family of thrifty, prudent customers. When once you have started building up a balance in a bank book, you will keep going.

Will you make that start? It's easy, and think of how much that start will eventually mean to you. All of our business with our customers is strictly confidential. We want you to feel perfectly at home with us, and whether or not we do a great amount of business together, we shall try to make our relations both pleasant and profitable to you. Call and see us.

Ford Retail Sales Hit New Mark

According to a report just received from the Ford Motor Co., Detroit, a daily average of 5,210 retail sales of Ford cars and trucks had been reached by the close of April in the United States alone.

Ford sales of cars and trucks for the month, including both domestic and foreign, totaled 127,249. This establishes a new high record, exceeding the largest previous month, June, 1921, by 15,467.

The sale of Fordson tractors has also been steadily climbing. A total of 11,181 Fordsons were sold during April in the United States, a daily average of 469 having been reached by the end of the month. This gives the tractor a new high sales record, and above 100 per cent increase over the best month in 1921.

The Ford Co. is enjoying a banner year in all departments. Output of Ford cars and trucks for the year, according to present estimates, will exceed 1,100,000, which represents a ten per cent increase over 1921.

The Ford factor at Detroit is now operating at full capacity, having a force of more than 40,000 men on the payroll. The scheduled output for May will probably reach 135,000 cars and trucks, which will be applied against orders approximating 165,000.

Despite the attempt of the factory and the twenty-three assembling plants in the United States to produce a sufficient number of cars to meet the unusually heavy demand, it has been impossible for Ford dealers in most cases to make immediate deliveries.

Brings Suit Again Officials

Harold E. Coburn, of Perryville, attorney for Joseph Miller, pitcher on the Perryville baseball team, has brought suit against Henry A. Warburton, State's Attorney for Cecil Co., and Sheriff Kirk Griffith for $10,000. The suit grew out of the finding in the Susquehanna river at Perry Point a few weeks ago of a dead infant. Miller was placed in the Elkton jail without due process of law, it is claimed, and detained there for three days. He was arrested at the same time as Mrs. Pearl Hickman, the latter being taken into custody on suspicion of being the mother of the child.

WEDDINGS

The wedding of William E. Embert, of Chestertown, to Sarah Virginia Middleton, of Baltimore, took place at the Wesley Chapel parsonage Wednesday, Rev. A. F. T. Raum performing the ceremony.

Announcement is made of the approaching marriage of Alan Beck Harris, son of Mr. and Mrs. Alan A. Harris, of Chestertown, and Miss Margaret L. Pettriz, of Rockford, Ill. The ceremony will take place June 17.

Announcement is made of the coming marriage of Mr. Wm. A. Wheatley, Jr., of Federalsburg, son of Mr. and Mrs. Wm. A. Wheatley, of Chestertown, and Miss Mary Martino, of the former town, the cermony to take place at the home of the bride June 12. Mary Joe Wheatley, little daughter of Mr. and Mrs. Charles F. Wheatley, will be flower girl.

Bay Workboats To Race Again

The second annual Chesapeake Bay championship workboat sailing races, to decide the fastest sailing craft typical of the entire Chesapeake Bay, will be held Aug. 12 off Bay Bridge, at the juncture of the Severn river and the Chesapeake Bay.

Virginia craft, as well as boats whose home ports are in Maryland, may compete. In fact, any bay workboat of the typical classes that hails from any creek, river, inlet or bayside port within the Chesapeake Bay, inside of Cape Henry and Cape Charles, will be eligible for the races.

The first races were held July 2, 1921, off Claiborne. The decision to repeat the races this summer and the date and place of the contest were determined at a meeting of the regatta committee which had charge of the races last year.

Quite a good deal of interest was caused last year by this event and the owners of sailing craft in this port will probably be on hand to witness the events.

DEATHS

After an illness which has lasted about a year, Mr. Frank H. Howard, one of the best known and most highly respected citizens of Chestertown, died at the Hebrew Hospital, Baltimore, on June 7, aged 66. He leaves a wife, Mrs. Kate I. Howard, and the following children: Mrs. Kent Lambert, Mrs. Richard Sampson and Mr. Lewin Howard, four grandchildren and one sister, Miss Lillie Howard. Funeral will be held Saturday at 2 p. m., from the home, conducted by Rev. N. O. Gibson, interment in Chester cemetery. The bearers will be E. W. Emory, Harry Lambert, W. L. Fowler, W. F. Russell, Wm. A. Wheatley, C. S. Smith. Undertaker C. L. Dodd.

Mr. Howard was a gentleman with a wide circle of acquaintances. He was a life-long resident of Chestertown and was intimately connected with the life and activities of the community. He was a contractor for painting for many years and was most expert in his occupation. He will be greatly missed by a wide circle of friends.

Meeting of Kent Co. Medical Society

A very interesting and important meeting of the Kent County Medical Society as held in the Business Men's room of the Imperial Hotel on Wednesday afternoon, June 7. There were quite a number of the physicians of the county present and much interest is being manifested by those attending. Drs. G. L. Copeland, of Millington; H. P. Copeland, of Chestertown; L. P. Atwell, of Still Pond; and J. P. Franklin, of Chestertown, were elected to membership in the society. Short addresses were made by Drs. Copeland, Hines and Franklin. A motion was put through to ask the physicians of Queen Anne's county to join those of Kent in a twin-county organization and a committee was appointed to interview them. A committee was also appointed to arrange for a couple of speakers from Baltimore for the next meeting, which is to be held in July.

Candidates For Congress

After enjoying a vacation from the "things political," which has lasted since last September, the political sky has become clouded by the approaching Congressional contest of the 1st Congressional District, which comprises the Eastern Shore of Maryland. All this year it has been a generally accepted theory that Congressman T. A. Goldsborough, of Caroline, would be a candidate to succeed himself, and recently it was generally supposed he would have no opposition. There are, however, two men who are mentioned as candidates likely to take the field, namely, Col. Albert W. Sisk, of Preston, Caroline county, and Hilton W. Robertson, of Wicomo, who came within 72 votes of winning when he was Mr. Goldsborough's opponent several years ago. With these three men in the field, the fight should be a most interesting one.

Program of Photo-Plays To Be Shown At The

LYCEUM THEATRE

CHESTERTOWN
Showing Only The Best In Motion Pictures

Friday and Saturday, June 9 and 10—Lewis J. Selznick presents "CONCEIT," a unique creation.

CONCEIT

"Conceit" of course deals with that element of mental imperfection that is so often found in men and women whose inflated opinion of themselves exceed their true worth. But the subject is not handled with a spirit of levity. Instead, it is a straight way, modern drama with a variety of scenes, character and action that are most refreshing. The hero of the plot is not a gilted saint and the villian is not a cloven-hoofed fiend. They are just men with all the faults and virtues usually found in the normal, average person.

Also Pathe Review and Comedy.

Monday and Tuesday, June 12 and 13—Welch Bros.' $100,000 spectacular film production of

UNCLE TOM'S CABIN

A screen version of America's most popular stage play.

Don't fail to take the children and give them an everlasting lesson in American history.

"THE SAGE HEN"

Wednesday, June 14—Gladys Brockwell in "The Sage Hen." The Billboard says: "There is more human drama to be found in this picture than in a dozen so-called human stories. It is action of an exciting kind, always convincing."

Thursday, June 15 — Varied program of short subjects—News Movie Chats, Century Comedy and Winners of West serial.

"A MAN'S HOME"

Friday and Saturday, June 16 and 17—A Ralph Ince production, "A Man's Home," with Harry T. Morey in one of his vigorous and impressive roles. Also Pathe Review and Comedy.
