Seed Potatoes

We have the best varieties of true to name seed.

Have you heard about it?

Why Granitite

It is the new roof paint for iron, tin, rubber and felt roofs. It is guaranteed for 5 years. Call and see us about it for that old roof.

We grind "PLOW SHARES." A number of people have tried it and it seems to be all right. Better bring in all those old shares you have laying around the barn and let us grind them. We only charge 10c each.

Just a few words about

American Fence

It is the fence that for the past 10 years has protected the crops and stock of this country. It is the fence that is purchased and used by nine-tenths of the farmers to-day, and it will remain the choice of every careful thinking man who desires protection now and for the future in a fence that "Actually Fences."

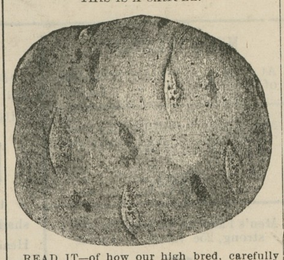
—BOLGIANO'S—
High Bred Seed Potatoes

THIS IS A SAMPLE.



READ IT—of how our high bred, carefully selected Maine grown Seed Potatoes act in the field.

MARCH 10th, 1908.

J. Bolgiano & Son, Baltimore, Md.

Bolgiano's Famous Prosperity Potato I think is the best potato I ever grew; its cooking qualities cannot be beat. It is the best yielder and does better on poor ground than any other variety I ever grew; it does better year after year than any other variety, wet or dry season you are sure to make a crop if you plant Bolgiano's Famous Prosperity Potatoes. The big stalky vines are a good thing in wet weather to hold the weeds down, after they are laid by, and are a good thing in dry weather to hold the moisture in the ground.

WM. BUTLER, Grant county, Ind.

We have a complete assortment of all the standard and special varieties of Seed Potatoes. If your local merchant does not sell Bolgiano's selected High Bred Seed Potatoes write direct to us and we will tell you where you can get them. IRISH COBBLERS, EARLY ROSE, SUNLIGHTS, GREEN MOUNTAINS and 23 other varieties. Complete Potato Catalogue Free.

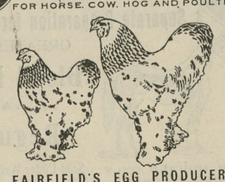
FAIRFIELD'S FEED BLOOD TONICS

POWDERED
A SEPARATE PREPARATION
FOR HORSE, COW, HOG AND POULTRY



FAIRFIELD'S EGG PRODUCER

WHAT fertilizer is to the soil, Fairfield's Blood Tonic and Egg Producer for Poultry only, is to the hen, supplying all the elements needed for egg production, strengthening the digestive organs and making the fowl healthy.

Poultry lay and grow in proportion as they are cared for properly. Tone them up, give them just a little help with Fairfield's Poultry Tonic. In this way many a losing poultry venture has been made to pay.

Fairfield's Blood Tonic for Poultry is equally effective with pigeons, ducks, geese, turkeys, etc.
