Washington College Makes Brilliant Record On Court

Winners Of State Collegiate Basket Ball Championship Have Lost Only One Game So Far This Season, Dropping The Opener To Naval Academy.

Several years have elapsed since the last State championship reposed in the domains of Washington College at Chestertown, but the Eastern Shoremen have pursued their way undaunted, and finally they have won the right to fly the mythical bunting emblematic of undisputed basket ball championship. For, by defeating Mount St. Mary's for the second time at Emmitsburg Saturday, the Maroon and Black quintet earned the State collegiate court title beyond preadventure of doubt.

Only one defeat mars the record of the Chestertown quintet, and that came at the hands of Navy in the opening game of the season. Since then Loyola and St. John's have each been defeated once, while St. Mary's colors have twice been lowered. Victories are also held by Kibler's men over Washington and Lee, Dickinson, V. P. I., V. M. I., Catholic University and several other fives of like caliber.

Return games will be played with S. John's and Loyola and one contest is booked with Blue Ridge. However, it is hardly likely that any of these teams will be able to conquer the Eastern Shoremen.

Basket ball, always popular at the smaller Maryland colleges, has held sway with increased power this year, and the titular race has been unusually hard fought. Only one surprise took place during the past week, and that was when Western Marland nosed out the Quantico Marines. Although the Methodists were known to have a hard-fighting and capable five, it had not been thought they would be able to take the measure of the Leathernecks. However, a field goal from the middle of the floor decided the issue in the final minute of play.

Two quintets, each working in perfect order and each possessed of players far above the average, met to decide the issue at Emmittsburg. Admittedly far better on the home floor, the Mountaineers were nevertheless unable to halt the brilliant floor work of the visitors. Not only did Tom Kibler's men display an almost impregnable defense, but they also showed flawless teamwork. According to the majority of the critics, the playing of Hen Carrington at guard was the best ever seen in the State collegiate ranks, the sturdy little played netting six field goals from near the center of the floor.

Washington College placed the top rung in the State championship basketball ladder it has been building all season, when it conquered Mt. St. Mary's Saturday night, 31 to 22. There is no question to the Mountaineers about the ability of their rivals to wear a crown. Possessing a notable five themselves, they were turned back by an incredibly smooth working machine on their own floor.

The Mountaineers fought like tigers, but the Eastern Shore quint assumed the lead at the start and it looked as if it were only a question of how many baskets. Mt. St. Mary's resorted mostly to its cleverest game in passing, but when it arrived under the goal inaccurate shots proved its undoing.

On the other hand, Washington was the soul of accuracy and Saturday probably had its wide court working in better order than hitherto, for all during the contest there was some uncanny flipping by the visiting five. The five-man defense was more than ably seconded by the long and accurate caging. At the end of the half that moment it held things safe.

Washington has lost only one game this season, that to Navy; and has beaten all but one State team, which it did not play. It came within an ace of defeating the Middies and has rolled up heavy scores on all, besides winning six games in a row during a Southern trip.

Resolutions Of Respect.

A called meeting of the Official Board of the Betterton M. E. Church on February 11, 1923, to take action on the death of brother Wm. H. Kelley, the following resolutions were passed:

Whereas, in the dispension of His province, it has pleased our Heavenly Father to call from the Church Militant to the Church Triumphant, our beloved brother Wm. H. Kelley, a faithfful and valued member of the Official Board of the Betterton M. E. Church, therefore, be it

Resolved, That in the death of Bro. Kelley our church has been called to mourn the loss of a faithful and consistent member, one who ever manifested a deep interest in the spiritual and material welfare of his church, and the advancement of Christ's Kingdom.

This splendid Christian man so rich in faith, so liberal to every worthy cause, so kind and solicitious for the welfare of others, won the love and esteem of all who knew him. We will ever cherish the memory of his beautiful life and the assurance that he was "faithful to the end" and fully prepared to go when the message came calling him Home, and be it

Resolved, That we extend to the bereaved family our sincere and heartfelt sympathy in this their dark hour of sorrow and grief, and commend them for comfort to the Blessed Saviour, the great and true Comforter, with a prayer that he will reveal unto them the tenderness of His love and sympathy, and be it

Resolved, That a copy of these resolutions be spread upon the church records, a copy sent to the bereaved family and a copy sent to the county papers for publication.
