NERVOUS WOMAN COMPLETE WRECK

Tells How She Was Made Well by Lydia E. Pinkham's Vegetable Compound

Indianapolis, Indiana.—"Now I want to tell you just what induced me to take your medicine. It seemed that I had some kind of weakness so that I could not carry a child its full time. The last time I was troubled this way I had a nervous breakdown and was a complete wreck. The doctor thought I would not live, and if I did that I would never be well and strong again. But I told them I was going to get well, that I was not going to die just then. My husband got me Lydia E. Pinkham's Vegetable Compound and I took six bottles of it. I soon got strong again and had three more children. I have recommended the Vegetable Compound ever since, and if you could see me now you would think I had always been well."—Mrs. MARY F. HERRICK, 234 Detroit St., Indianapolis, Ind.

Lydia E. Pinkham's Vegetable Compound is an excellent medicine for expectant mothers and should be taken during the entire period. It has a general effect to strengthen and tone up the entire reproductive system, so that it may work in every respect effectually as nature intends.

WASHINGTON KEEPS UP HER WINNING STREAK

Temple University's cage combination proved of little consequence as an obstacle in the path of Kibler's flying Pentagon Friday evening in the Washington College gymnasium. Starting off like a whirlwind, the Maroon and Black soon distanced any hopes that the Juaker City five may have entertained of being able to stop winning streak of the locals who have now run their string to 14. The score was 48 to 26.

Chestertown and Sho' fans, of which there was quite a crowd by the time the rival quints took the floor, were surprised to see the visitors attempt to curb the scoring tendencies of Kibler's charges without the aid of a five-man defense. This was the first time of the season that the locals have faced a team that did not make some pretence of bringing the entire team to the rescue when danger threatened. However, Temple left it to the guards and center to break up the Washington College and it was a hopeless task.

On the other hand, the visitors were handcuffed on the offense as long as the regular local five remained in the game, two goals from the field being all they were allowed until the reserves went in early in the second half. The score at the end of the first half was 29 to 9.

Carroll and Carrington kept up their heavy scoring, with five goals each, while the former also added six points on the free tries from the foul circle. Mike Fiore, who usually has been the man designated to be the last to advance to the attack on a rival's basket, was permitted more liberties in this respect tonight and the result was five baskets for Mike also..

The Washington College basketball team marked up its fifteenth victory Saturday night when it defeated the Penn Junior Varsity, 33 to 7. The contest was fast but the five-man defense set up by the visitors could not hold the scoring combination of the local team. The offense was also weak and all the points were made from long shots.

The Washington College basketball team during the first 16 games the last 15 being victories, has scored 512 points against 315 of the opponents. Carroll is leading in scoring. Carrington comes second. Captain Gordy holds the third honor in scoring and Dumschott is next with Fiori last.

Washington College, winner of 15 straight games this season, went down to defeat Tuesday afternoon at the hands of Pennsylvania Military College quintette. The score was 41 to 40.

The game was one of the most spectacular ever seen on the cadet floor. It was tied five different times. The fifth tie came two minutes before the last period, when the score stood 40 to 38 in favor Washington.

Elliott, P. M. C.'s rangy center, flung in a basket, bringing the score even. Then a personal foul was called on Carroll and Elliott flung in one, clinching the game for P. M. C.

In the matter of cage science the honors were about even, though P. M. C. covered up slightly better than their opponents and were a bit swifter in passing.

The outstanding feature of Washington's playing was the spectacular work of Carroll, who scored the most points for his team, registering 8 field goals; Carrington registered 6, three of which were long and sensational shots.
