Politics As Seen By A Woman.

Since women have been voting and more interested in the ways of office-holders and see how the tax-payers' money siused. Why we think if women would hold some of the places, that men now have, we might do a little better. Anyhow, we ought to have the chance to try. I think Mrs. Clara Williams a good one to send to the legislature. She can see farther ahead than most men that I know. Mrs. Mary Miller would make a fine county commissioner. Why not have Mrs. Ida Loller to help Mr. Applegarth, as he surely needs some one to give him some points on how to make better roads. Mrs. Sallie Carter would like to be county treasurer. Now men and women voters of Kent county see if we cannot elect women to all of the places that they can fill and see if we cannot do on less money in these strenuous times than men do.

A WOMAN VOTER.

A GREAT HARDSHIP TO KENT FISHERMEN

One of the greatest hardships ever imposed on the fishermen of Rock Hall occurred last Saturday when the U. S. Government officials notified them to pull up stakes. For ten or twenty years the stake-net fishermen have puttheir nets in same depth of water as now, and to come to this, the beginning of the season, and demand that all stakes be removed, is, to say the least, unfair and despicable treatment. There are about one hundred men employed at this business who have from thirty to forty thousand dollars invested besides boats, etc. A meeting was held in Junior Hall Saturday night and a committee appointed consisting of Herman F. Jacobs, Charles G. Kerr and Reybold Wilson, who were to visit authorities and make known the fishermen's case. It was first thought that the Conservation Commission had charge of the orders, but it was soon learned that Major F. C. Harrington, of the U. S. 5th Naval District, had given the order and had supervision over the waters. This committee saw him and presented a strong case.

Congressman Goldsborough and Senator-elect Bruce have also interceded for the aggrieved parties and it is hoped that they may be allowed to finish the season.

In a special message to the News received yesterday, after above was put in type, we learn that through the assistance of Representative T. Alan Goldsborough, the United States Engineer's Department has given the fishermen unail May 15th to remove their stakes from the fishing grounds, except in instances or cases where the stakes are liable to obstruct navigation and these will have to be removed at once. This is being done by the fishermen.

AN OPERETTA

On Monday and Tuesday evening, April 23rd and 24th, at 8 o'clock, there will be given at the Lyceum, an Operetta called "Snow White and the Seven Dwarfs." It will be rendered by some of the childlren of Emmanuel Church Sunday school, assisted by some of their friends from the other schools. The chief roles will be sung by Miss Helen Connelly, as Princess Snow White; Mrs. D. B. Ford, as the Queen; Mr. Jack Stenger, as the Prince, and the Rev. C. L. Atwater as the Huntsman. The chorus of thirty children appear as attendants, dwarfs and fairies, who guard the Princess Snow White in her wanderings to escape the jealousy of her step-mother, the Queen, until she is rescued by the prince. The music of the operetta, while simple, is attractive and tuneful. The orchestra accompainiment will be rendered by "Whitey's Five." Others in the cast are: The dwarfs, Messrs. D. B. Ford, Jr.,Frank Hines, Jr., Sterling Townshend,Harry Fallowfield, Jr., Harry Lewis, Parks, Rasin and William Atwater; the fairies, Misses Elizabeth Hopkins, Anne Kreeger, Lucille Rasin, Janet Atwater, Catherine Baker, Margaret Malin, Anna Lewis, Theodosia Chapman, Catherine Ford, Emily Jewell, Louise Simpers, Margaret Rasin, Ida Spielberger,Nancy Jean Usilton,Grace Warfield; the little chorus, Misses Maud Duyer, Harriet Louise Rogers, Margaret Mason, Mary W. Westcott, Elizabeth Westcott, Henrietta Duyer, Fern Blackway, Mary Godfrey Rogers. Admission will be 50 cents, but reserved seats can be obtained at Stam's Drug Store by paying ten cents additional.

AUTOMOBILE RECOVERED

The Kent Motor Company of Kennedyville, whose garage was broqen open, safe rifled and a new Ford sedan stolen a few weeks ago, have recovered their car. They have also found the owner for the car which was left at their garage on the afternoon of the robbery.

The Ford sedan was found abandoned on the streets in Philadelphia and had been there two days when officers picked it up and found the owner by the number on the engine. Mr. Sutton went to Philadelphia and made a deal for the car with the officer who found it. The officer says he was charmed with the car as soon as he saw it. The other car left at the garage belonged to a party in Frankford, Pa., who was traced by the police Department of Philadelphia. The thieves were not caught.

FARMERS AGREE TO STICK TO 25 CENTS

A Large Meeting Of Farmers Held In Chestertown Wednesday--Tomato Growers Want 30 Cents But Compromise On 25 Cents Per Basket — Local Canners Offer This Price.

April 11th was the day fixed upon by the farmers of Kent for fixing a price for growing tomatoes. One of the big enterprises of the farmers in Kent is the growing of tomatoes. For many years the packers have contracted for tomatoes at a price which brought the farmers into debt. Three years ago the Farmers' Produce Exchange organized, and it is growing in membership and influence. It now has 178 members and should have have more. Precinct meetings have been held during the winter and, as a result, but very few acres of tomatoes have been contracted for.

All the work was to terminate in the meeting held in the Courthouse in Chestertown, Wednesday. Many representative farmers were present. Dr. H. P. Copeland presided, Arthur Harris was secretary, with Albert Jervis and H. B. Derrick, county agent, assisting. After reports from various parts of the county and considerable discussion the meeting pledged its members not to grow tomatoes this year for less than 25 cents a basket. This is a compromise price between the 20 cents offered by some Baltimore canners and 30 demanded heretofore. Howard N. Balwin, Chestertown canner, and M. M. Carr, at Worton and Lynch, have already offered 25 cents, so that it is believed this will be the prevailing price.

BASE BALL NOTES

Washington College played their first game at Annapolis with the Navy on Wednesday and were defeated 10 to 3. Bradford and Simmons were in the box with Carrington catch. The other players were Griffith, Dumschott, Johnston, Flowers, Gordy, Cavanaugh, Armstrong, Franklin. The Navy made 5 runs in the 7th inning. This was our boys first game and they made a good showing against such a strong team.

The ninth grade of Chestertown High School defeated the eighth grade in baseball on Thursday by score of 7 to 5.

All Victory Notes Called For Redemption as of May 20, 1923

We have just received notice from the Treasury Department, Washington, D. C., that all Victory Notes have been called for payment on May 20th, 1923, and interest thereon stops on that date. Holders of these notes may present them in advance of May 20th, either for immediate redemption at par and accrued interest to the date of optional redemption, or for payment on May 20th, at par and accrued interest to that date.

Holders of registered notes are urged to present them well in advance in order to avoid delay in discharge of registration.

All Victory Notes bearing distinguishing letters A. B C. D. E or F. prefixed to their serial number were called for redemption December 15th, 1922, and interest ceased on that date: therefore if any are holding these particular notes they should be turned in at once, as there will be no interest paid on them.

We urge all holders of Registered Victory Notes to call at the bank at their earliest opportunity in order to make the assignment on the notes that is required by the Department before these bonds will be accepted for payment, and as soon as this assignment is made we will forward them to Washington so registration may be released and prompt payment made on May 20th, 1923.
