CHANGE OF LIFE LOSES TERRORS

For Women Who Rely upon Lydia E. Pinkham's Vegetable Compound

Greenville, Pa.—"I took your medicine through the Change of Life and it did wonders for me. I was down in bed when I started to take it and weighed 95 pounds. I had hot flashes and was so nervous and weak that everything would get black and I could not see. I would sit and cry and did not know what I was crying for. Since I have been taking Lydia E. Pinkham's Vegetable Compound I feel younger than I did ten years ago, and my friends all tell me I look younger, and I owe it all to the Vegetable Compound. I do all my housework for a family of seven now. I will be glad to answer any woman who writes me in regard to my case."—Mrs. JOHN MYERS, 55 Union St., Greenville, Pa.

Many letters similar to this have been published testifying to the merit of Lydia E. Pinkham's Vegetable Compound. They are sincere expressions from women who describe as best they can their feelings before and after taking this well-known medicine.

Many times they state in their letters their willingness to answer women who write them. It is an offer dictated by gratitude and a desire to help others.

AN INTERESTING EVENT

The Eastern Shore Interscholastic Declamation Contest took place at Washington College Friday night. The speakers were:

James Roe, subject, "Give me liberty or give me death," of Queen Anne's county.

Miss Edwina Anderson, "Terrific Scene at the Natural Bridge," of Somerset county.

George G. Messick, "Jean Desprez" of Caroline county.

Miss Mary Boulden, "The Explorer," of Cecil county.

Miss Margaret Arringdale, "The Highwayman," of Talbot county.

Watkins Crowe, "Jean Desprez," of Dorchester county.

Miss Marian Collins, "The First Settlers," of Kent county.

Barton Smith, "Gunga Din," of Worcester county.

All counties of the Shore with the exception of Wicomico were represented. Three medals were given. The judges were as follows: Dr. A. S. Hall, Prof. W. R. Howell and Prof. D. A. Cannaday. Music was furnished by the Chestertown Orchestra, C. A. Bacon, director. The winners were Talbot county first, Caroline second and Kent third.

FASHIONABLE TO BE FAT

The fat woman is back in fashion. With Gerty's famous Parisian restaurant opening a special room solely for stout customers, and with the biggest dressmakers specializing in gowns of ample proportions, dieting has almost ceased at fashionable eating houses.

It is noticed that where last year the smart woman strained every nerve to take off weight, denying herself sugar, bread and all fattening foods, now she is in a mad race to get plump.

The "avoirdupois stakes" had a long fashionable list at Longchamps paddock this afternoon, many of the women who have despaired of getting stout before the end of the season wearing the old-fashioned "pads" discarded by their grandmothers.

Arms, shoulders and bust again have taken on extraordinary importance, in contrast with the accentuation of the lower limbs which have been a steady feature of all styles since the war.

It is estimated that at least a million American dollars were lost when the Longchamps favorite failed to come in the money in a single race.

Mrs. W. K. Vanderbilt was there, accompanied by her two daughters, while the newlyweds, Mr. and Mrs. Reggy Vanderbilt, were much in evidence. Mrs. Rodman Wanamaker, Mrs. Herman Oelrichs, Mr. and Mrs. Lloyd Aspinwall, Mr. and Mrs. Geo. Wickersham, Mrs. William Lowe Rice and daughters and Mrs. Samuel Goldenburg, were seen in the Paddock.

JUDGE KEATING UNOPPOSED IN SECOND CIRCUIT

With several important removed cases occupying the attention of the Queen Anne's County Circuit Court, Centreville has been the Mecca this week of numerous prominent attorneys and witnesses from practically every county comprising the Second Judicial Circuit of Maryland. As a result keen interest has been manifested in the approaching Democratic primaries, particularly with regards to the selection of a judge to fill the fifteen-year term which begins after the next General election.

Reports from Cecil, Kent, Caroline, and Talbot indicate that there is practically a unanimous sentiment for the nomination and election of Judge Thos. J. Keating, of Centreville, who during the seven months that he has been on the bench, following the death of the late Judge Philemon B. Hopper, of Centreville, has established an enviable record of efficiency and definite accomplishment.

Among the visitors at the Centreville Court the opinion appears practically unanimous that unless State Senator J. H. C. Legg, of Queen Anne's county, definitely decides to enter that race for the Judgeship, Judge Keating will be nominated without opposition.

Judge Keating was appointed last fall by Governor Albert C. Ritchie to fill out the unexpired term of Judge Hopper. Since that time he has presided over the circuit court of each county at both the fall and spring terms, with the exception of Talbot. The spring term in Talbot does not convene until later this month.

During the period that he has been on the bench Judge Keating has not missed a single day, and this spring the work of the jurists was greatly increased by the long illness of Chief Judge William H. Adkins. Reports from Caroline, Talbot, Cecil and Kent indicate conclusively that Judge Keating will be without opposition in those sections. Members of the bar are outspoken in their endorsement, and unhesitatingly assert that they will take an active part in insuring Judge Keating's nomination and election.—Centreville Record.

SURE DOES WORK SAYS ENGINEER

Tanlac Entirely Ended Stomach Trouble, Dizziness And Sleeplessness, Declares Frank R. Penn.

"Well, I don't know what it is but there is something about Tanlac that certainly does the work," said Frank H. Penn, Hire Apts., Burlington, N. J., well known assistant engineer at the Rolling Steel Wire Mills.

"When I began taking Tanlac I was suffering from stomach trouble, indigestion and lack of sleep. My appetite was very poor and I was weak and rundown. I had severe headaches that would last for hours at a time, and when I had to bend to work on the machinery I would become so dizzy on straightening up that my head seemed to be in a whirl.

"Hearing so much good about Tanlac, I tried it myself, and it has improved my appetite, got my stomach back to normal, and relieved me of those headaches and dizzy attacks as well. I am gradually gaining weight, too and think there is nothing else like Tanlac."

Tanlac is for sale by all good druggists. Take no substitute. Over 37 million bottles sold.

MONEY TO LOAN

Money to loan on first mortgages tracts of 100 acres or more, improved farm land. H. C. FOOKS. Attorney-at-Law, Munsey Bldg., Baltimore, Md. au5-1yr.

Seeing—and "feeling"—is believing a new room in a day

Changing to a cheerful, sanitary hardwood floor certainly does make a room seem like new. But—such new room *in a day*, that may sound exaggerated. Well it isn't. CROMAR is the reason.

You see, what makes the installation of an ordinary hardwood floor take so long, is the scraping—and polishing—and several coats of finishing—and drying—*after* the laying. Incidentally, that runs up the cost.

But CROMAR, the patented hardwood floor, is completely finished *by machines*, at the factory. Two carpenters start laying CROMAR right over your old floor in the morning, and you use that "new" room in the evening!

You ought to know *all* about CROMAR. Get in touch with your Retail Lumber Dealer today—and write us for complete literature.

HEARN GASOLINE

Is Uniform and Dependable because it is tested before it is sold

A test to which all Hearn Gasoline is subjected is the Sulphur Test. This is important to every user of Hearn Gasoline.

Equal quantities of Hearn Gasoline and a mixture of distilled water, caustic soda, and litharge are shaken up in a bottle, then the gasoline, which is lighter, rises to the top. Should a light brown ring show between the gasoline and the heavier mixture, it would indicate the presence of a trace of sulphur. Should a dark cloudiness appear in the heavier mixture, it would indicate sulphur in greater quantity.

Sulphur in gasoline corodes certain metal parts with which it comes into contact. Corrosion frequently results in valves not seating properly; it causes the early replacement of valves and other parts.

Hearn Gasoline never has the faintest trace of sulphur. It is always tested for sulphur before it is sold. The name "Hearn" on a filling station assures you of a gasoline that will not injure your motor in any way—because it has been tested and found to measure up to the Hearn specification.

ANOTHER SPECIFICATION, EQUALLY IMPORTANT, TO WHICH ALL HEARN GASOLINE IS SUBJECTED, WILL BE EXPLAINED IN THE NEXT ADVERTISEMENT.

Hearnoleum Products

The Hearn Oil Company manufactures lubricating and fuel oils for all purposes. Have you tried

HEARN "Y" MOTOR OIL?

It is unexcelled as an all-the-year-around and all-around lubricant for your automobile.

Hearnoleum Products are sold throughout the entire state of Delaware and the Eastern Shore of Maryland. There is a Hearn filling station convenient to you. The man at that station knows and he will see that you get the right kind of oil for your car.
