Ask for "Polarine"
not just "a quart of oil"

COMPLETE *lubricating service* means providing the right *oil* at the right *time*. Polarine gives this service. The Polarine Chart of recommendations specifies the proper oil for the car and the season. Say "Polarine"—buy from the Chart—get better performance, longer life, fewer repair bills and more days' use of your car.

It is as easy to say "Polarine" as "A quart of oil" and much more satisfactory in results.

Forced To Live On Crackers and Tea.

Mrs. Cooper Declares She Can Eat Anything Since Tanlac Ended Indigestion.

"The results of Tanlac in my case were both wonderful and surprising. It has been a year now since I took the treatment and the good it did me then has remained with me to this day," is the statement made, recently, by Mrs. M. E. Cooper, 128 D St., Northwest, Washington, D. C.

"My stomach was in such bad condition that I lived mostly on crackers and tea for a whole year. If I ate anything else it would come right up. I had severe pains in the stomach bad headaches and frequent dizzy spells and I don't believe I got more than one good night's sleep a month.

"My condition began to improve from the very day I started taking Tanlac, so I kept taking it until it made a new person of me, eat anything, sleep like a child and never felt better in my life. Tanlac is certainly a grand, good medicine."

Tanlac is for sale by all good druggists. Accept no substitute. Over 37 million bottles sold.

Tanlac Vegetable Pills ane Nature's own remedy for constipation. For sale everywhere.—Adv.

The real reason for buying Columbias
—they last longer

The largest laboratory, devoted to dry cell research, experiments continuously to *make* them "last longer." Columbia Hot Shot or Columbia Ignitors are "right" for your needs. That's why people have the habit of asking for Columbias.

Columbia Dry Batteries for all purposes are sold by hardware and general stores, electrical and auto supply shops, garages and implement dealers.

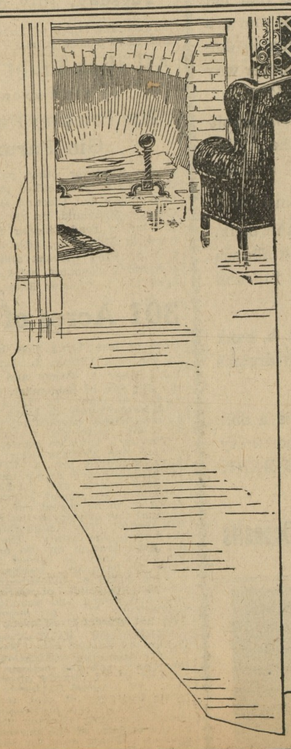
CROMAR
READY FINISHED
OAK FLOORING



A room is transformed—completely

—when a hardwood floor is laid right over the "warpy" softwood boards.

Since CROMAR was invented you refloor a room a day—actually. And the cost? Less per room than with ordinary hardwood floors.

It's because CROMAR is filled, varnished and waxed by machines—at the factory. No hand-finishing *after* the laying—no days and days of waiting for scraping, finishing, drying.

There are so many other advantages in CROMAR—won't you get in touch with your Retail Lumber Dealer today? And write us for complete information—we'll mail it at once.
