The United States Civil Service Commission has called for an examination for postmaster at Chestertown to succeed Postmaster Bowers, whose term will expire on October 29th. The examination will be held on July 17, and it is likely that there will be a lively contest for the office which is one of the largest on the Eastern Shore, paying $2,700 per annum. The instructions sent state that competition will be rated upon their education and training, business experience and fitness. If it was not for "politics" the present efficient official and staff would be reappointed, but it is very evident from the above notice that some Republican will be named. Messrs. A. Parks Rasin, John N. Bennett, R. Snowden Thomas and Virgil W. Kendall are favorably spoken of.

Mr. Bowers instructs us to say that he will not be an applicant for reappointment.

Since January 1st, the State Game Department has received at least 500 letters from practically every county in this State complaining about dogs running at large and destroying game. They state that whenever they could secure the names and addresses of the parties owning the dogs they wrote them and requested their co-operation in this matter and appealed to them to help protect the game for propagation. Dogs running at large between March 1 and August 1, destroy more game, especially rabbits, than the hunters kill during the open season.

Traffic over the Susquehanna river bridge, between Perryville and Havre de Grace, has increased about one-third, as shown by the tolls collected by the State Roads Commission in May. This year's total for the month was $12,155, against $9,091 for the same month last year. With the present traffic the tolls will pay for the bridge in four years, Road Chairman Mackali says.
