FARM BUREAU ORGANIZES

At a meeting of more than two hundred farmers in the court house here on Friday the following officers of the newly organized Farm Bureau were elected to serve until the general election of officers in December: President, E. Thomas Massey, of Massey; vice-president, Albert Jervis, of Still Pond, secretary and treasurer, Benjamin F. Rash, of Worton; manager, Horace B. Derrick. Local units will be organized in all community centers in the county and the presidents of these units will form the board of directors of the Farm Bureau organization.

MASSEY AND SUDLERSVILLE PLAY SERIES

Massey's aggregation of baseball tossers were victorious in the first two settos of the series of five championship contests, now being played between Massey and Sudlersville. Massey took the first game by the score of 2 to 1. The second contest resulted in a victory for the Kent countians by a 4 to 1 score. The third game of the series was played at Massey Wednesday, when Scott was on the mound for Sudlersville and Groff twirled for Massey.

The first game was played at Massey last Saturday and was one of the fastest contests played on the Eastern Shore this season. Only one hour and twenty minutes were required to complete the play.

Massey broke into the run column in the third inning, when R. Jones singled to right, stole second and scored on a single by Gibbs. Sudlersville tied the count in the fourth on successive bingles by Dill, Jones and Coleman. Massey scored the last and deciding tally in their half of the wild throw off Jones' roller. Jones stole third and scored on a fly.

The feature of the game was the pitching of Scott, who allowed but two scratch hits and struck out fifteen men.

Massey Takes Second Game

In a thrilling eleven-inning contest at Sudlersville Wednesday, Massey won the second game of the five-game championship series from Sudlersville. Sudlersville had the game won until the ninth inning, when a single by Gibbs and a two-base hit by Jones tied the score. In the eleventh inning, with the score tied 1 to 1, Massey put over three runs. The features of the game were the pitching of Davis and Pryor and the batting of Wallace.

The Massey team comprises G. Newnam, 3b; Gibbs, cf; Haley, 1b; P. Jones, 2b; Moffett, ss; L. Newnam, rf; Peacock, lf; R. Jones, c; Pryor and Groff, pitchers.

GOV. RITCHIE UNOPPOSED

Governor Ritchie's candidacy for nomination by the Democratic party for re-election will be unopposed. This became a certainty when Hugh A. McMullen, of Cumberland, the only other avowed candidate, allowed to expire the time limit for the filing of State-wide candidates without entering the lists.

SLEEVELESS FROCKS UNDER FASHION BAN

Sleeveless frocks, reminiscent of sandy bathing beaches, which appeared early in the summer amid much acclaim, are doomed to die according to fashion monitors, who are advocating long, tight sleeves for fall and winter. Yet, wisely, to humor the flapper (independent miss who won't dress in the manner suggested by dictators if she doesn't feel like it) some sleeves may be elbow-length

Tier skirts are a feature of a great many fall frocks and are already appearing in the shops in large numbers. Tiers may run straight up and down, straight around, or slant across on the bias in Spanish fashion.

Beads, which lost some of their popularity when plain "up-and-down" frocks came in vogue, are reappearing amid the current tiers, ru es and frivolities.

Fall materials are the rich, luxurious type with checkerboard crepe satins, woven in pronounced blocks rivaling laquard crepe - clinging fabrics with a gleam of velvet about them. In wools a new fabric called charmcen resembles the ever-recurrent Poiret twill in weave, but is finer, softer and silkier.
