ORGANIZATION TICKET

The News with great pride presents to its readers today a ticket made up of tried and true Democrats which hts the endorsement of the organization and some antis in Kent. Its a pity a primary became necessary to nominate this ticket.

For The Senate

SENATOR WILLIAM F. RUSSELL heads the ticket. He believes in upholding law and during his term as Senator at Annapolis proved true to every interest of the people of Kent county. He deserves another term and we believe the voters will accord it to him. His word is unquestioned, with a sound judgment, well tempered with human wisdom that comes with a man who lives a life of pure thought and an aggressive vision. He is a solid, staunch man, without hypocrisy, one that you implicitly trust in the finer, bigger and important things that are bound to come to him who represents us at Annapolis.

Senator Russell's position in this community as a citizen, banker, father and utility man is well known. He is as well versed in finances as any man in Kent county. He served the county well as Senator, School Commissioner and in other positions. He served Washington College loyally in its campaign to raise funds and presided with ability for five years as chairman of our local Chautauqua. He is the head of a most interesting family consisting of three daughters and a son, the latter having voluntarily offered his services which was accepted in the late World War.

For The Legislature

HARRY L. WOODBURN, of near Galena, is presented. He has been a resident in Kent for 15 years, a man of high character, intelligent and specially fitted to present the claims of the farmers.

CAPT. CHAS. R. KERR, of Rock Hall, an experienced and genial gentleman who has been borught up among the watermen. He knows their needs and is able to eloquently present them. He is dignified in his bearing and holds the esteem of his neighbors and friends. Its a pity such men should have to go thru a primary.

For County Commissioners

The Democrats have presented two sterling men — STONEWALL J. JOHNSON, of Massey, farmer, and RINGGOLD JONES, of Rock Hall, farmer. Both own real estate and appreciate the importance of economy and carefulness in all public expenditures. They will make ideal men for handling the business affairs of Kent county.

For State's Attorney

S. SCOTT BECK, ESQ., will likely have no opposition for State's Attorney because of no candidate being found willing to oppose him.

For Orphans' Court

The organization endorse the present Court—DR. E. A. SCOTT, of Galena, W. K. HUDSON, Fairlee, and J. HENRY THOMPSON, of Rock Hall.

For Treasurer

GEORGE W. SUTTON'S claim appeal most forcibly for support. He was one of the candidates who went down to defeat in the slaughter of 1915. It was hoped all the antis would accept his candidacy. Some have encouraged his campaign and it is believed he will get a big vote. He is a middle aged farmer of near Kennedyville, a man of splendid character, big hearted, and a worker in the Democratic party all the time.

FOR SHERIFF

WILLIAM W. GOODMAN, of Quaker Neck, is presented fully in another column.

FOR STATE CENTRAL COMMITTEE

Mrs. Jennie B. Whaland is the wife of Dr. Chas. W. Whaland, of Chestertown, a lady of indefatigable energy and has always evinced interest in the Democratic party.

Mrs. Helen E. Brice is the wife of George Brice, of Betterton, and will make a valuable member of this committee.

Mrs. Price Watson is the wife of Edward Watson, of Fairlee, a lady of winsome manner and deeply interested in her party.

John W. Harman, of Rock Hall, Robert Moffett, of Chestertown, and J. Elgar Strong, of Quaker Neck are the three loyal Democratic men on this committee. They are worthy of your vote.

Delegates to the State Convention: Ernest D. Briscoe, of Betterton, Morris H. Cooper, of Worton, Elmer S. Jarman, of Galena, all elegible for the position and we bespeak for them a big vote.

The Democratic party in Kent County wants to go to the polls this fall with a strong local ticket and behind it a party united in general for good feeling, one to the other, and all for the ticket. The fight in the State may be a closer one than the Democrats now expect and the party may need a big vote from this county to pull it through. This was the case four years ago and may well happen again this year, when the Republicans have named as their candidate for Governor a much stronger man than then.

If our coming primaries are quiet and orderly, free from corruption or personal malice or unfair tactics, a big step will have been taken towards registering the full strength of the party on election day.

Chautauqua Spirit Prevails—Excellent Program Presented—Fine Weather—Pleasing Officials—105 Men Guarantee 1924 Meeting.

Chautauqua has come and gone, leaving a sweet and refined influence in its wake. The programs were pleasing, entertaining and instructive—some more, others less. The superintendents, tent crew and assistants met every demand and will be welcome at any other time. Chairman Allan A. Harris and his assistants were efficient and are to be congratulated for their successful services. A contract signed by 105 men for 1924 Chautauqua was delivered the last night. Besides this a woman's auxiliary of a hundred, each of whom is pledged to sell three tickets has been formed.

Badges were awarded children for kites and other contests inthe Junior Chautauqua to these: S. S. Beck, Jr., Betty Anthony, Allen Barnes, Gilbert Moore, Alice Sterling, Thomas Smith. A town council was formed comprising Ida Spielberger, mayor; Anna Cook Coleman, town clerk; D. B. Ford, Jr., Sterling Townshend, Isabel Crow, Catharine Ford, Nancy Jean Usilton, Frank Hines, Jr., commissioners. The Juniors, thru Frank Hines, presented Mayor C. N. Satterfield, for town use, ten receptacles for waste paper, etc. The Mayor accepted same and congratulated the little folks for their thoughtfulness.

All church services were suspended here on Sunday evening for a union service in the Chautauqua tent, where a company, which rendered "The Taming of the Shrew," on Saturday eening, gave a delightful rendition in costume of the book of Job. It was a novel and very instructive feature of Chautauqua.

Owen C. Smith helped the public by his brilliant lights which were used to display his wares.

Rev. C. L. Atwater, in addressing the audience in favor of the return of Chautauqua, said, "If we give up these yearly events more than likely we will be inflicted with a carnival which seems to be prevalent all about us." We must fill up the moments with good things, otherwise they will be filled with bad things.

ACCIDENT NEAR GALENA

There was quite a sad accident at Galena on Friday evening. Robert Ferguson, Jr., known among his chums as "Bunny" after repairing a motorcycle on Friday evening jumped on it and went down the road a way to try it. As he was returning he collided with an automobile, breaking his limb and his arm and cutting and skinning up his face and body. He was taken to Delaware hospital, Wilmmgton, and is reported to be doing as well as could be expected. It is reported that neither the auto or the motor-cycle had lights.

Abe Cohen Sells Out

Abe Cohen known to many as the John Wanamaker store of Sandy bottom has sold his stock of goods, buildings, etc., to A. H. Parris, of Baltimore, who takes charge at once.

Mr. Cohen will remove to Baltimore. He has been serving the public for more than 30 years and leaves in Kent a host of friends.

Wouldn't it be a fine thing to donate the political fund in Kent Monday to the peope in distress in Japan? The News offers its services to this end.

THE RIGHT KIND

Senator William F. Rusell is the proper type and right kind of citizen to represent this county in the Senate of Maryland.

At Annapolis he worked and voted for the fewer elections measure, which means the saving of much money. He was in favor of the reorganization of the State government in the interest of economy and efficiency. His labor in connection with Washington College was a striking achievement, and every Alumnus of this venerable institution should rally to his support. He is on the side of our farmers and watermen and is willing to stand or fall with them.

Cecil county gave Senator Crothers a renomination, Queen Annes county gave Senator Legg a renomination, why cannot this county do as well for Senator Russell? He deserves a renomination; and the Democrats of Kent should see that he gets it.

GREAT EARTHQUAKE IN JAPAN

The awful calamity of Tokio, Yokohoma, Nagoya and other cities in Japan by earthquake and fire is the appalling news of the week and all America pauses to express sorrow or rush aid to the stricken friendly nation. Latest reports are that 320,000 perished and Tokio and Yokohoma are in the ruins. The American Red Cross, ever ready in an emergency, is rushing aid, U. S. plans are speeding to devastated area.

A recapitulation showed Yokohama as its center, extending north and south about 100 miles and 140 miles east and west from that city. This area included 33 counties and five large cities, inhabited by 7,000,000 people, who were caught in the disaster. It is estimated that about 70 per cent. of the cities and towns within the stricken area were destroyed.

ROCK HALL POLITICS

Rock Hall, Md.

Messrs. Editors:

As usual before Primary Election we have a great many visitors from different sections of the county and Saturlay evening there was a very eminent gentleman, Mr. Legg, Senator from Queen Annes, and incidentally it seems is a candidate for the Judiciary.

Mr. Legg enlightened us wonderfully regarding parlimentary proceedure, and told us how he had stood as our guardian angel for a season and how, through his efforts alone, a piece of local legislation was put across.

We all remember Mr. Legg's brilliant speech in theSenate during the last General Assembly, when with shaking voice he declared he had to vote his conscience although he knew that it would interfere with his candidacy for the Judiciary. Had we have only known that he was at that very time losing sleep on our account we would have extended him the hand of fellowship to shed a few crocodile tears with him, but alas, we did not know it, and unfortunately the Senate Journal does not record it.

Now the legislaton referred to above was what is known as the splash net law. A number of watermen requested it being passed, a petition was prepared by a Rock Hall merchant and signed by some 250 residents of Rock Hall, Skinners Neck, Piney Neck, Broad Neck and Quaker Neck and one day during the General Assembly Mr. Vickers or Senator Russell came to Rock Hall and talked same over with Mr. C. S. Vansant, Stewart Edwards and others; they decided it woud be better to present the bill in the House of Delegates. At that time Mr. Charles L. Miller "our representative" had spent the weekend in Washington and was in during the coming week. The bill was presented my request and the bill passed in routine.

Now, Messrs. Editors, I have been a fisherman and oysterman for about thirty years, have raised a family, also, I have been an Anti-Organization Democrat and I voted for Mr. Hadaway and Mr. Copper in 1915, they were defeated in the nomination, likewise the Democratic nominees were defeated in the election that fall, (we know by whom).

Now in a few months after the above election if we wanted any laws passed or town improvements we would go to the late W. W. Beck, who had been defeated for Senator that fall and I soon found that he could and would do more for the watermen, even after being defeated, than those that had been elected. Also, after Senator Russell's election in 1919, he, too, would stop in Rock Hall and see what our needs were and particularly during the session of 1922 he was with our town council and watermen always rendering what assistance he could tending to better our condition. Now, possibly I did not always agree with Senator Russell's views or vote on some question, but who could satisfy every one He did show clearly tnat he is not a pussy-footer and that is one reason why many of us are for him today, while some of his opponents are steadily losing ground.

We are advised that Mr. Legg, the Senator from Queen Anne's, is coming over next Saturday to give us another installment regards what valuable service he rendered us. Of course, we appreciate all this attention, even to being told how damn ignortant we are.

If we can find out what hour Mr. Legg is coming we will have it heralded throughout the community and we will greet him with bowed heads and mayhap on bended knee.

My experience has been, I find that the Democratic Organization of Kent County takes care of all its citizens and without outside help, even from so eminent a source as Mr. Legg.

Very respectfully
LEWIN S. BLACKISTON.
