W. C. FOOT BALL SQUAD

The Washington College foot ball squad's opening game will be with the Marines on Sept. 29th. Keenan, the All Maryland Guard for the past two years arrived, adding a great deal more light to the already bright outlook. Keenan is heavier than ever, weighing nearly 350. Soifer, Snauffi, Reiger and Rayne from last year's squad reported, during the week.

Armstrong and Townsend, former Chestertown High School Stars and Zimmerman a rangy lad from Emmittsburg also joined the squad.

McGrann, the basket ball star from Bridgeport, Conn., looks like a sure bet for one of the line positions. McGrann also shows considerable promise as a kicker.

Capt. Duffy reported in excellent shape.

Crowe, picked on last year's second All Maryland eleven, has all his old time speed and punch.

Kelley, Dumschott, Carroll, Fiore, Carrington, Reiger, Jarman, Conant, Adkins, White and Soifer from last year's squad are working hard to retain their positions. Carrington and Dumschott, especially, look good.

Smoot a new man this year, will probably make some of the veterans hustle to hold their positions.

Coach Kibler is well pleased with the showing of the squad so far.

OPPORTUNITY

For high-class sales executive or dealer to represent the QUINN DOMESTIC OIL BURNER in Kent county and adjacent territory.

The QUINN OIL BURNER has been passed by the National Board of Fire Underwriters and is now being used successfully in homes, apartments, theatres and business buildings.

It is as near fool proof as possible, there are no moving parts, no electric or gas connection necessary. It can be operated in rural and suburban districts as well as towns or cities. It can be used satisfactorily in any furnace including hot air and pipeless furnaces. Its price is within the reach of every one, $200.00 to $300.00, installed.

The installation of a QUINN DOMESTIC OIL BURNER eliminates the shoveling of coal, the removing and carrying out of ashes and does away with all dust and dirt. Also, costs less to operate than coal or any other fuel.

This is a wonderful opportunity. Only men with the following requirements will be considered.

1. Successful merchandising experience.
2. An unimpeachable personal record.
3. Vision to realize the wonderful opportunities.

To such a person or concern we can offer a mighty interesting proposition—a real money making opportunity.

Tell us fully of your facilities and qualifications along the above lines and of your ability to put this over in a big way.

WE WILL

Go On a Cash Basis

Owing to business conditions we are compelled to make this change.

It will enable us to give the public better service at less cost.

We feel that by extending credit we are doing our customers an injustice and putting ourselves in an embarrassing position when we need money to pay for grain and feeds,

Trusting you will lend us your assistance in this move for the good of the buyer and seller.

We are here to serve and will be pleased to talk feeding and financing problems over with you.
