CROMAR
READY FINISHED OAK FLOORING

Start with *one* room this year

Take, for instance, your dining room—or your living room. Certainly *you* would enjoy the charm of the bright, lustrous hardwood floor. Nor could your guests fail to sense the air of immaculate trimness it lends the entire room.

To install a CROMAR Hardwood Floor right over the worn, softwood in that room will take just one day. And, though a better floor, it will cost you less than the ordinary hardwood floor. CROMAR is filled, varnished and waxed by patented machines at the factory—that's the reason. Finished *before* it's laid. That eliminates all expensive and less efficient scraping, polishing and hand-finishing, and saves days and days of waiting.

There are many other advantages—the easy cleaning, for example. You ought to know them all. Get in touch with your Retail Lumber Dealer and write us for complete literature.

Witness For Mrs. Dunn Arrested

Raymond Shaw, a star witness for Mrs. Elizabeth M. Dunn, in her divorce action against her husband, James B. Dunn, Chestertown farmer, on a warrant issued by Hal F. O'Donnell, a witness to be called by Dunn, charging him with threatening to do him bodily harm through the channels of his cohorts.

Shaw was dismissed of this charge by Justice Stanford, but, however, shortly after the close of the trial a lad known as "Buck" Grimes, a friend of Shaw, who was present during the hearing was arrested in front of the Central Police Station by high police officials when they heard Grimes threatening O'Donnell. He was found guilty and fined $26.45.

Shaw was arrested when he was in the company of Mrs. Dunn, who endeavored to secure bonds for his release.

Mr. Dunn Tells Of His Arrest

Mrs. Elizabeth M. Dunn, wife of James B. Dunn, Chestertown farmer, instituted a warrent for the arrest of her husband in the Western Police Court, Baltimore, on September 17, 1923, charging him with assaulting her in Baltimore, September 9. according to the stipulations on the legal manuscript.

Dunn was informed of the writ call from Baltimore, and as a result he drove to the city and voluntarily appeared before Justice Cadden.

Dunn claims that on the date of the alleged assault he was entertaining a week-end party at his home.

In a statement to the Kent News, Dunn declared that Mrs. Dunn issued the warrant in an effort to effect his character, inasmuch as he was responsible for the police raid on the Plaza Hotel, Charles street and Mt. Royal avenue, Baltimore, a rendezvous which he alleges Mrs. Dunn frequently visited.

He also added that three couples and the owner and operator of the hotel, Mr. Sees, were arrested for disorderly conduct, etc.

The case will be heard by Magistrate Cadden, of Baltimore, Oct. 25.

$100 CLEARED FOR NURSE FUND

The Rich Neck Nurse Club, one of the most aggressive and enterprising auxiliaries of the Queen Anne's County Health Association, held a supper on the lawn of the home of Mr. and Mrs. Frank T. Price, Thursday evening. More than $100 was cleared for the fund. A sumptuous supper was served by the ladies of the community and an unusually large crowd was in attendance.

COLORED MAN KILLED BY AUTO

Struck and killed by some unknown motorist, on the road between Centreville and Easton, Isaac Dobson, a negro farm hand, was found lying along the roadside Sunday night by C. Norman Jefferson, of Easton, who was returning from a motor trip to Chestertown. Although a coroner's jury has conducted an investigation the authorities have not been able to ascertain the identity of the driver who caused the man's death.

The Governor, Comptroller, Attorney-General and Clerk of the Court of Appeals elected in November also will serve three-year terms, and the quadrennial State election plan will get under way in November, 1926.

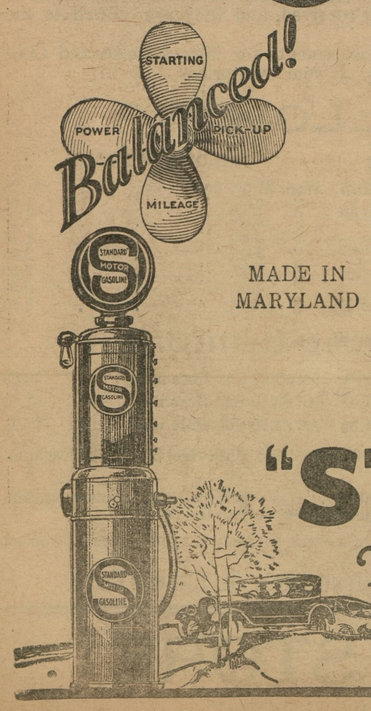
You need Balance for Quick Starting
and those other VITAL gasoline qualities



MADE IN MARYLAND

YOU can easily measure the high *motive* power of "Standard," the balanced gasoline, with the proper apparatus. But it would be hard to estimate its great *moral* force in eliminating those harsh, cruel words usually addressed to a slow-starting motor. "Standard" users have forgotten what slow starting means.

If your engine is right, your switch on, and the choke out for a moment, "Standard" gives you instant starting, because it's *balanced*, which means that it has exactly the right proportion of low, quick-catching fractions that ignite instantly in the coldest motor.

This *balanced* gasoline also gives you the snappy power for pick-ups, the hard-pulling power for hills and the lean-mixture power for long mileage that have made "Standard" the regular choice of hundreds of thousands. Test it out and see for yourself—next time you fill up.

Party Line Courtesy

Courtesy in the use of the telephone is nowhere more necessary or more appreciated than on a party line. Both parties on the line expect and should receive good service and as little interruption as possible.

If you are on a party line and desire to be considerate of the other person on the line, we would suggest that you eliminate as far as possible lengthy telephone conversations. They are annoying not only to your neighbor, but also to persons desiring to reach him, and sometimes may result in delays of serious consequence.

When you pick up the receiver on a party line and find another person talking, the courteous thing to do is to replace the receiver as quietly as possible and wait a reasonable length of time before trying again to use the line.

The observance of these suggestions by party line users will result in better telephone service and better feeling between those on the same line.
