CUT CAUSES CHILD'S DEATH

Falling on a stick and apparently only sustaining a slight abrasion of the forehead and for more than 12 hours showing no sign of illness, Gordon Allen, the 7-year-old son of Mr. and Mrs. Elbert Allen, Sudlersville, died Saturday morning after one day's suffering. The child was playing and fell, cutting his head above the right eye with a sharp stick. He was taken to a doctor and the wound dressed and for some time showed no signs of being injured.

SHORE LEAGUE ASSURED FOR ANOTHER YEAR

Salisbury, Dover, Cambridge, Crisfield, Parksley and possibly Laurel will constitute the Eastern Shore League for the 1924 playing season, it was indicated at the meeting of the representatives from each of the clubs at a meeting in Salisbury on Thursday afternoon. Having the assurance that the league would be continued, every effort was made in forming regulations governing the clubs to reorganize the circuit on a firmer foundation.

Easton did not make a formal application for a franchise, but in a letter to the chairman of the meeting stated that if a vacancy occured in the League, that town requested a hearing of an application for the berth.

The treasury proper of the league shows a balance of more than a thousand dollars, according to a report by R. H. Matthews, treasurer. The report showed that the total paid attendance in the circuit this year was approximately $121,460.

Eighty games will constitute the schedule of the league next year, less than the past season. By this arrangement each of the six clubs will be required to make the swing around the circuit eight times. The schedule will close on Labor Day with the opening date fixed after allowing for the necessary number of open dates. The schedule committee appointed by President Thawley are: T. W. Gillespie, chairman, Parksley; Fulton Waller, Salisbury; Dr. A. S. Williams, Laurel.

A monthly salary limit of $1,850, including the salary of the manager, regardless of whether the pilot participates in a game or is considered a "bench manager."

HAVERFORD WINS OVER WASHINGTON COLLEGE

Washington College was defeated by Haverford at Haverford Saturday, 13 to 7. The game was hard fought throughout.

The visitors scored in the first half on a pass from Cavanaugh to Carroll. Cavanaugh kicked goal. Early in second half, recovering a fumble, Haverford paved the way for their touchdown and kicked goal. In the fourth quarter Haverford scored again on a long pass, but failed to kick goal. Keenan, Duffy and Reiger played well for the Southerners.

DUCK HUNTER DROWNS WHEN BOAT OVERTURNS

Guy Mitchell, son of Morgan Mitchell, a prominent canned goods broker of Short Lane, was drowned Monday afternoon off Spuestia Island. He had accompanied several friends to the duck shooting grounds when he undertook to place several decoys in the marsh. His small rowboat overturned, throwing him into the river. The body was recovered an hour after the accident. He was 29 and unmarried.

While engaged in butchering hogs on his farm at Earleville, Roy C. Carpenter had the end of a finger bitten off by a hog.

WANTS TO HELP OTHER WOMEN

Grateful for Health Restored by Lydia E. Pinkham's Vegetable Compound

Chicago, Ill.—"I am willing to write to any girl or woman who is suffering from the troubles I had before I took Lydia E. Pinkham's Vegetable Compound. My back always ached, so I could not go about my housework, and I had other troubles from weakness. I was this way for years, then my sister-in-law took the Vegetable Compound and recommended it to me. In the time I have been taking it and it has done wonders for me. I keep house and am able to do lots of work besides."—Mrs. Helen Sevcik, 2711 Thomas St., Chicago, Ill.

Women suffering from female troubles causing backache, irregularities, pains, bearing-down feelings and weakness should take Lydia E. Pinkham's Vegetable Compound. Not only is the worth of this splendid medicine shown by such cases as this, but for nearly fifty years this same sort of experience has been reported by thousands of women.

Mrs. Sevcik is willing to write to any girl or woman suffering from such troubles, and answer any questions they may like to ask.

It is logical that we should ask the prospective buyer to gauge the worth of the Studebaker Special-Six by the measure of its sales success.

Why mention the distinctive motor or any other feature of this unusual car when the American public itself has established the greatest of all selling arguments in its favor by buying it?

Automobile license figures for every state in the Union continue to tell their own uncolored stories of Studebaker popularity.
