Mr. Wm. Silcox was taken suddenly ill last Thursday night, we are glad to report him much better.

The new bridge across the Betsy Thomas branch was completed Friday, under the direction of the supervisors Thomas Bennet and the Messrs. Howard and Walter King. The bridge is larger every way-fifteen by twenty- and eight inches higher than the old bridge.

The farmers are busy with their spring work, some of them are not through husking their last year's crop of corn. Mr. Foxwell had three plows going last week, Mark Rodgers was the first to commence plowing before the blizzard and Wm. Baxter sowed his oats Friday. He was also the first man to sow clover seed.

Mr. Garret Foxwell, wife and daughter Miss Annie, returned Thursday from a week's visit with Wilmington friends.

Mrs. Rebecca Wooters is visiting her daughter, Mrs. Stonewall Johnson, near Massey's.

Mrs. Frank Jarrell who has been ill the past month is improving very slow; her many friends wish for her speedy recovery.

Mr. W. E. Jarrell and wife, of Chestertown, and Mrs. Gale, of near Lankford, have been the guests of their son and daughter, Mr. and Mrs. Frank Jarrel.

Miss Lizzie Pennington is on a two weeks visit with her sister, Mrs. George Sutton, near Locust Grove.

Rev. I. Rider leaves next week for the Southern M. E. Conference at Chambersburg, Va.; his return has been unanimously asked We think we cannot spare Mr. Rider, he is so good a preacher.

Mr. Lindale, of Kent Island, spent several days last week with Mr. Marcus Rodgers.

Mrs. Sarah Mahoney, has been the guest of her sister, Mrs. Thomas Hurlock, the past week.

Miss Medders is visiting her parents in Crumpton.

Charlotte Johnson colored, has built a nice little house on her lot at Browntown, she has named it Lusby's Green.

Mrs. Dennis McCauley, of Galena, spent several days last week with her mother, Mrs. Agnes Jarman.

Mr. Wm. Pennington recently returned from a visit to his brother in Seaford.

It is said that a school teacher the other day asked her pupils to write a long sentence and one of the boys nearly caused her to faint when he wrote "Imprisonment for life."

IN MEMORIAM.

Died on March 12th at the residence of her daughter Mrs. Ella A. Kiffmeyer, nee Ashley, 276 Littleton Avenue, Newark, N. J., KATE HOLDSON, widow of Wm. M. Holdsen, formerly of Hanesville, Kent County, aged 69 years, 9 months. Interment took place at Baltimore March 16.

Dear, folded hands, so worn with care,
So quiet on the pulseless breast,
Will any burden need you there,
If Heaven is a place of rest?
And you, dear heart, will you forget
The struggles of these lower lands?
Or is there some sweet service yet.
For folded hands?

Yours was the never-ending task
Born of a never-ending need.
Our selfishness, it was, to ask,
Your sweet unselfishness to heed.
And now in the unwonted rest.
Long promised in the better lands,
How can you sit an idle guest,
With folded hands?

No tears to dry, no wounds to bind,
No sufferer to tend and bless—
Where will those eager fingers find
A need for all their tenderness?
Yet, knowing all they did before,
Perchance the Father understands,
And holds some precious work in store
For folded hands.

BY HER CHILDREN.

On Sunday evening March 16th, 1902 at his late home in Betterton, GORMAN only child of Albert and Cecilia Bowman, aged about 10 years.

"Awake glad soul, awake!
Thy Lord has risen long,
Go to his grave, and with thee take
Both tuneful heart and song."

"Where life is waking all around,
Where love's sweet voices sing,
The first bright blossom may be found
Of an eternal spring."

Tomato Contracts Made.—The farmers in the vicinity of Melitota met Mr. Chas. Vogelman Saturday week and contracted for tomatoes at 15 cents per basket. About 250 acres will be grown for him.

City Register Numsen, of Baltimore, was in Chestertown Saturday week and made arrangements for running his cannery at the wharf. Several contracts were made for tomatoes at $7.00 per ton.

Messrs. Ivens and Carr have made contracts for growing tomatoes for their Worton and Lynch's canneries.

Messrs. Baker and Arthur, over in Cecil, are contracting at $8.00 per ton.

The Crumpton cannery is also offering $8.00. J. Langrall and Brothers, in Queen Anne's have offered a new proposition. They have offered to buy all tomatoes the farmers may raise and pay the highest cash market price at time of delivery. If tomatoes are scarce the farmers may receive more than $7.00 but if they are plentiful much less than this. They also want the seed purchased from them.

The tomato growers at White Haven in Wicomico have formed a combination and resolved not to grow for less than 15 cents per basket. They say if they cannot contract at that price they will form a stock company and use the tomatoes in that company.

Can It Be Possible

That you are not a customer of ours? Well, if you are not you should be in order to be in the rank and file of up-to-date farmers. AFTER A SUCCESSFUL EXPERIENCE OF FIFTY-TWO SEASONS in the Manufacture of Fertilizers we confidently refer you to our record and earnestly solicit your patronage and the fact we do more business all the time certainly ought to convince the most skeptical that our goods have superior quality and absolute uniformity and purity.

TRADE MARK

FOR TOMATOES

Well, you have heard of our Peerless Tomato Goods it is a wonder. We confidentally believe that we sell more tomato goods than any concern in the country, don't mean we sell more phosphate but more tomato fertilizer. Mr. C. R. Atkinson says Numsen claimed best tomatoes brought to his cannery was grown with these goods. He paid him $287.00 from 4 acres. Mr. D. F. Loose says one ton of these goods alongside an $18 goods brought him $96 more. Smith, Rouse & Webster, the large canners of Belair, heard of its merits and bought last spring over one hundred tons, and said last week there was not a complaint and that they will want 200 to 300 tons this time. We sold Baker & Morgan on one occasion $1200. We have several $1000 customers in Delaware. Mr. J. R. Leager says he got 13 tons to the acre. Mr. Benj. Moore says he got nearly 13 tons and that you could stand off a hundred yards and see the difference. Mr. G. W. Collins has bought as high as 50 tons per year, says his men on the choice farms got from 12 to 16 tons per acre. Mr. W. T. Money, unsolicited, said to us a few days ago, I would like to know how Peerless is made for I honestly think it is the best phosphate I ever saw and that Mr. Hayes always knew a good thing and he always bought it. We could go on, but try it for yourself and let us tell you how to apply it—get good seed and your crop is assured.

Are you going to grow

POTATOES?

Well we manufacture a Special Potato goods that has been used in New Jersey for 20 years in competition with makes and goods that cost $10 more per ton. This goods runs 10 per cent. potash, and there is no better made, and one man from New Jersey has his orders in already for over 60 tons. TRY IT.

Top Dress Your Hay This Month.

We have a cheap goods for this that works wonderfully.

There are your

PEACH TREES

Are you going to do anything to it this spring? If so we have a specially made goods for this purpose. Such men as James Bell, H. H. Klienfelter, C. H. Crew, John P. Nicholson, and scores of others, can tell you what it has done for them. It has nitrate and fish as the source of ammonia, and runs high in potash and phosphoric acid.

FOR CORN

use OUR SPECIAL CORN PHOSPHATE. Corn is a good price; you fertilize your wheat why not your corn? it will pay. Mr. Ham. Crew says our Corn Phosphate beats them all. We sell hundreds of farmers this goods every year.

Then many like Kainit on corn, if you want this, we have it. We unloaded over 300 tons this last week which ran 12.71 pr. ct. Potash Get our price on this and it will surprise you
