There has been a great deal said about me being a scab workman, but it was only said by those who can't compete with me in price and workmanship and who are afraid of me—never by a party that I did work for. Statement of Court House Repair Bonds.

Amount of bonds unpaid and not yet matured............ $7,000

The above is the balance bonds issued January, 1883, as per Act of Assembly 1882, for building Court House Vaults and being paid by excess of fees from Clerk's office.

This is not a part of the general county fund. The treasurer has always kept this fund separate, and has paid bonds and interest on same as they have matured, by receipts from the State Treasurer and paid to him by the several Clerks.

The additions to Court House or Vaults and other repairs to Court House were built at a cost of $12,370, for the payment of which the Commissioners issued bonds to the amount of $12,000, which were sold at a premium of $370, making $12,370 the exact cost of work. These bonds will not all have matured until 1898. If the receipts continue as they have every bond will have been paid at maturity, and not one cent will have come from the taxpayers.

ARMSTRONG, CATOR & CO., MILLINERS.
Baltimore, 1884.

Mr. C. P. Knight, Sole General Agent N. J. E. Paint Co.—Dear Sir: In January, 1878, our store was painted with the Liquid Enamel Paint made by the New Jersey Enamel Paint Company. We used tints that generally show the effect of exposure, but the paint has retained its color, gloss and freshness. We shall take pleasure in using it in future.

Yours truly,
ARMSTRONG, CATOR & CO.

Mr. C. P.
