Attention, : Farmers!

FARMERS, if you wish to save money buy the best Fertilizer for the least money. This has been demonstrated time and again by the goods furnished by our Company. We use only pure chemicals, the best of the kind to be had on the market, and what you contract for you can with confidence and a guarantee rely upon getting. Our $18 to $20 goods have been tried side by side with other brands that cost from $23 to $25, and in no instance failed to equal in producing power, and in some instances our goods have been superior. We do not say that we can buy goods any cheaper than other houses, but we can and do buy them as cheaply. Another thing, we buy all pure goods, and purchasers need have no apprehension of getting inferior material at the same price charged for good goods.

WE CHALLENGE THE COUNTY

to find anything in our factory that is not pure. Our No. 1 and 2 Brands are the same standard as heretofore, and for wheat and grass have no superior. We cordially invite the farmer to give us a call before purchasing elsewhere. Any information relative to the best and cheapest methods in the application of Fertilizers will be cheerfully given if desired. As we have heretofore said our establishment is headquarters on formulas, whether our own or those of others, when pure and unadulterated goods are used. The ammonia in our goods is derived from animal matter exclusively, and our phosphoric acid is from dissolved bone, bone ash and high grade acid phosphate, precisely the same goods as used by members of the Company. By bringing your sacks with you you can save $1 on each ton of goods. Two per cent. is deducted for cash. Company's office at Roop & Zile's seed store, 24 W. Main St., Westminster.

E. M. BISH,
aug-23-2m Superintendent.

PRIVATE SALE.

The subscriber offers at private sale, the property whereon he now resides, lying on Pipe Creek, one mile South of Trevanion Mills, and containing 23 ACRES OF LAND, more or less, divided into four fields. The improvements are a large two-story DWELLING House, with basement, built partly of brick and partly weather-boarded; Switzer barn, corn-crib and wagon-shed, wood-shed, ice house, smoke-house, wash-house, blacksmith and wood-work shop and other outbuildings; a never-failing well of water at the kitchen door. The land is in a high state of cultivation and is not surpassed in fertility by any land in the neighborhood. There is a young orchard of choice fruit, and the land is under good fencing. It is, in every respect, a very desirable little property.

If not sold at private sale within 60 days it will be offered at public sale, of which due notice will be given. Persons desiring further information or to view the property will please write to or call on the undersigned on the premises.

Mr. C. P. Knight, Sole General Agent N. J. E. Paint Co.—Dear Sir: In January, 1878, our store was painted with the Liquid Enamel Paint made by the New Jersey Enamel Paint Company. We used tints that generally show the effect of exposure, but the paint has retained its color, gloss and freshness. We shall take pleasure in using it in future.

Yours truly,
