ROCK HALL ITEMS

Sunday's crispy weather had the effect of bringing out the fall hats, gowns and other feminine fancies and there was more than an average congregations at St. John's R. C. and M. E. Churches. Rev. Mr. Burr at the latter church preached a sermon of "Point, Pith and Power," from Ezek 37 :

A real nice entartainment with refreshments was given in Jr. O. U. A.M. Hall on Thursday evening under the auspices of one or more Sunday school classes, the proceeds of which are to be applied to church debt. The Sunday school on tomorrow afternoon will devote its entire offering for the same purpose.

About 200 of our oystermen are now awaiting orders from Capt. Perry Benney, to embark for Mississippi waters, where they will engage in the taking of oysters until May next. The men are enthusiastic over their prospects.

Some of the purse netters struck it rich last week. One crew caught two tons of fish in one days work.

A number of our farmers made a mistake in permitting so much of their corn to be husked ere they were ready to loft it, as a consequence, much corn has sprouted in the pile during the recent wet spell of weather.

The steam yacht Kelada, Capt. C. R. Kerr, arrived at Grey's Inn wharf on Saturday evening where she will harbor for the winter.

Mr. E. E. Leary has applied a coat of paint to his factory buildings which makes quite an improved appearance.

Halloween elfs? Yes, they were about on Wednesday night and their pranks were many, some harmless and others quite annoying.

There are complaints long and loud concerning the non-enforcement of the oyster cull law among our oystermen. Have patience men, Capt. Ashley is doing his level best, it is difficult to catch all but he will get them. He now proposes to cull the buyers as well as the tongers, if he does that will be a long step in the further enforcement of the law.

WILL some kind friend of Mr. William H. Jackson volunteer the information as to which side of the ledger the balance is on, in comparison of the amount of money Mr. Jackson has spent to get to Congress and the amount of money he has gotten out of the "pork barrel?"

SLAGLE—In loving remembrance of our dear daughter and sister, HENRIETTA M. SLAGLE who died two years ago today, Oct. 25th, 1904.

One we loved has died and left us
For the dark and silent tomb,
Closed her eyes in sleeping slumber
Faded in her early bloom.
She did not sink by slow decay
Like one who lives the longest,
But every tie was wrenched away
Just when those ties were strongest
Often we wander to the grave yard
Flowers to strew with tender care
On the grave of our dear sister,
Darkness finds her resting there.
And our hearts are sad and lonely
Since our sisters dead and gone,
A place is vacant in our home
A place we cannot fill,
A voice we loved so dear to hear
Is now forever still

BY HER PARENTS, BROTHERS AND SISTER.

ROYAL Baking Powder

ABSOLUTELY PURE

Healthful cream of tartar, derived solely from grapes, refined to absolute purity, is the active principle of every pound of Royal Baking Powder.

Hence it is that Royal Baking Powder renders the food remarkable both for its fine flavor and healthfulness.

No alum, no phosphate—which are the principal elements of the so-called cheap baking powders and which are derived from bones, rock and sulphuric acid.

GALENA NOTES.

Some farmers are now threshing their wheat crop and they report it badly damaged from fly, one of our farmers just threshed his wheat only weighing 40 pounds to the bushel and several others just like it, they also think the corn crop will be short, too heavy fodder but light corn is the cry.

The Galena Bank is reported as doing a thriving business has about $100,000 on deposit.

There will be several removals in our town at New Years. M. S. Ford and his family go on the Todd Farm to carry it on for Holt W. Woodall; Mrs. Denis McCauley goes to Mr. Parr's new house that he is about finishing; Harry Bolten takes the house to be vacated by Mrs. McCauley; Wm. T. Stradley goes to the house vacated by John Voshell; George W. Star goes to the J. H. Vansant house; J. H. Vansant goes to the Jacoby house; Capt. Blunt goes from the Dunlap House to the John Campbell place; Wm. T. Spry goes to the house vacated by W. T. Stradley; John Ford leaves the Presbyterian manse and takes the house vacated by Mr. Wm. T. Spry; Mr. Lejar removes from the Hyland House to Lankford.

There are more improvements going on in Galena this fall than has been for some time. L. R. Vansant is improving his house by a coat of paint. Edward Peacock is having some of his houses painted and otherwise improving them. Dr. Scott is having a new tin roof put on his house. Henry Parr is having a very nice house built in place of the old one he had torn down, it is said by the old people here that the house he had torn down was not less than 150 years old it had been built of logs, the greater part of the logs were as sound apparently as when they were first put in.

The health of our town at present is remarkably good.

Election day is close at hand, seems to be very little interest taken in the election, the concensus of opinion we think is that Hon. T. A. Smith will have a good majority in our precinct.

S. Harry Todd is making a concrete walk from the street to his porch a distance of about 50 feet, so you see the spirit of improvement has struck our people.

We have not heard of any Halloween pranks but we suppose the cause was the weather as it rained hard all day and evening.

HON. THOMAS A. SMITH is worthy of the votes of all our citizens. He makes an able and faithful Congressman.
