Mr. M. L. Maslin is about the only farmer with us who has not been abashed by the cold wet season, other farmers have been disgusted, discouraged and grinning at the weather, waiting for a little sunshine and wind that they might put their force to work, while Maslin has been going forward replanting and cultivating corn as if there were no impediment in the way, all are wondering how he manages to do so. Possibly Tommie's and Grafton's shoes are like the shoes of Charly Smith's man, adjustable to all sorts and conditions of weather. Maslin feels sure that the "good old summer time" is not far hence and he is determined to not be caught napping, hence his go-aheadedness. Every one would be extremely glad if a soothing portion could be given jupiter pluvius, that his tears might be dried up for awhile.

Saturday's storm of rain and wind was almost a knockout for us all. A number of our fishermen were unable to reach home until Sunday.

This section is in deep sorrow in the death of R. D. Hynson, Esq. As a true friend and adviser, Mr. Hynson will be long remembered by many of us. A number of our citizens attended the funeral on Tuesday.

Capt. C. E. Davis, our coal dealer, is undergoing treatment at the Marine Hospital for kidney and hemorrhoid trouble. He is improving.

Mr. and Mrs. Thomas Colyer are on the sick list.

Rev. and Mrs. Warren Burr are taking in the Jamestown Exposition this week.

The Odd Fellows on Tuesday evening elected the following members to conduct the official positions for the ensuing term: Jacob B. Crowding, N. G.; Thos. L. Maslin, V. G.; John W. Boyer, Rec. Sec'y.; Wm. T. Harrison, Chap.

Our public school janitor being so much in contact with the young people realizes the importance of walking circumspectly before them, and desirous of setting them a good example, now goes to church twice on Sunday.

The boat mentioned in last week's locals, formerly the property of the late C. J. B. Mitchell, of Queen Anne's, has been located by Mr. Wm. R. Larrimore, of Hylandtown, Md., also by several of our watermen. She is in our harbor and is owned or in the possession of John Laston, colored. So if Mr. Mitchell, Jr., will sail into Huntingfield creek he will find the original Madileine, now the clipper Happy George. Mr. Mitchell, when here two weeks ago, was at one time within calling distance of the owner of the boat he was in search of.

Mr. John McCloskey, our Russian blacksmith and oysterman, has sold his fine gasoline canoe to a Baltimore county trucker at a $400 figure. The trucker has been accustomed to purchase a pair of mules annually for the purpose of running his produce into market, and paying from $500 to $600 for the mules. A pair of mules would only serve him one year before they would become played out. In securing McCloskey's rig he is in a better position to market his produce than could be done by team, and with care the boat will last a lifetime.

STILL POND NOTES.

The ice cream and strawberry festival which was held by the ladies of the Epworth League proved quite a success in which they received over $58, they wish to thank all those who visited their festival.

Our Children's Day exercises have been postponed until Sunday, June 16. We shall expect you with us.

The grand closing concert given by Prof. W. J. Harrington and the choral class assisted by Miss Margaret Jones, of Wilmington, on Wednesday evening was well attended and much enjoyed. Miss Jones is one of the most accomplished elocutionists it has been our pleasure to listen to. Her well modulated voice easy and graceful appearance combined with study and finish she has received makes her a thorough master of her profession. She holds the undivided attention of her audience from the beginning to the end of her recital. Prof. Harrington is thorough master of his profession and we gladly recommend him to any town desiring a teacher of vocal music.

Our first Quarterly Conference will be held on Friday, June 31st, at 2 p. m. A full attendance desired. Rev. W. G. Koons, Presiding Elder, will preach Sunday evening June 23 at 8 o'clock. All welcome.

Let everybody attend church next Sunday. Preaching at 10.30, subject "Watchword for Today," the 6th of a series of sermons. Evangelistic services in the evening, subject "What think ye of Christ." Special singing at both services. We shall be disappointed if you are not with us.

Dame Rumor has it that one of our prominent townsmen, who has been living in single blessedness all the days of his life, has at last decided to take unto himself a wife. Consequently Monday morning last he started for the West in search of that pearl of great price, i. e. a good wife. May he be successful in his quest and soon return to our town to receive the congratulations of his friends.

Last Thursday afternoon and evening the ladies of the Home Missionary Society of Trinity M. Church South celebrated their one hundredth meeting since the society was organized 9 years ago. The afternoon meeting consisted of reports of the work of the Society generally with some discussions along the line of missionary work. At 5 o'clock a tempting lunch was served at the home of Mrs. Lydia Jones, which social feature was enjoyed by all present. The evening service was more of an entertainment, consisting of music and recitations. Mrs. Kuhlman gave a very interesting and highly instructive talk on the work of the Society of the Baltimore Conference of which this is a branch. Truly these Societies are doing a great work, still we hear the Master's voice calling for more workers for the harvest is great and the laborers are few.

The home of Judge and Mrs. Sheppard Morris, near Wilmer Point, was the scene of a merry gathering of his children to honor Judge Morris with a banquet in honor of his 69th birthday on Sunday last and their children, Mr. and Mrs. W. S. Morris and three daughters and son of this town, their daughter, Mr. and Mrs. Stephen Singleton and three sons, of Wilmington, and their son, Mr. Elwood Morris, of near Wilmer Point. An elegant dinner was served and ice cream, cake, etc., in the evening. Doings Among the Colored People of Chestertown.

At Janes M. E. church Rev. J. R Holland, pastor, all the services are well attended and the E. L. S. School and Junior League are holding most excellent and instructive sessions. Bethel A. M. E. church with Rev. W. A. Harris, pastor, is also having fairly good success.

School No. 1 or better known as the down town school of which Miss Hattie H. Marshall is teacher, closed on Friday, May 31, after having been kept open by the people for six weeks. All of the colored schools in Kent county were closed by the school board on April 15. The trustees W. W. Boyer, Henry Yorker and Harrison Jenkins, called a public meeting and discussed the importance of self help and as a result enough money was subscribed and paid to run the school until the last of May. The closing exercises of the school were rather above the ordinary and showed in a practical way that the older pupils are aiming to improve themselves along all lines. A committee of four girls from the sixth grade, Anna M. Jenkins, Carrie Frisby, Anna Dorsey and Josephine Yorker, voluntarily decorated room 2 very nicely and arranged several tables in fine style. After the close of the literary exercises all the visitors with the school, were invited to this room to partake of refreshments.

The Knights of Pythias a beneficial society recently organized among our people turned out in a body last Saturday morning to attend the funeral of Henry Rigby, one of its members.

Messrs. Editors: Permit us to say for the colored citizens of the town that in the death of Mr. Hynson we shall feel the loss of a friend, one who we all loved to respect because of his cheerful disposition and his encouraging words and help whenever appealed to for assistance for worthy a cause. Our sympathy is extended to the family in this hour of their sad bereavement.

GREAT VAN AMBURG SHOWS.

Waterproof Tents—Rain Will Not Spoil the Exhibition.

A sudden downpour of rain or a long-continued drizzle will have no effect on the patrons of the great Van Amburg Shows when it exhibits here. The reason of this will be apparent to everyone who sees the huge tents that will be erected here for the performance. They are all constructed of "mercerized" ducking. This marvelous invention for the waterproofing of material has been in use for rain coats, but up to this year has never been used for tents. People who have used "mercerized" cloth know how it sheds water, and it was the knowledge of this that caused the Van Amburg Shows to have all their tents made out of this material. It is quite a stride in advance of other shows, but it is only in keeping with the progressiveness of the management of these shows. Beneath these tents spectators can sit in comfort and ease during the heaviest of rains and be as dry as if in the finest theatre in the country. This is only one of the many novelties that have been added to these shows this season.

The only big circus that will visit here this year is the Great Van Amburg Shows, and the date is Tuesday, June 18.

STYLE and SERVICE

OF ALL the seasons we like summer best—it brings to us youth and vitality—fresh air and freedom—out-door life and out-door clothes—and half the joy is because of the clothes.

They are prettier, far, than in any other season, and the most pleasing feature is they are less expensive—this is particularly true of our store.

The very newest things in Ginghams, Muslins, Lawns, Batiste, White Goods, Printed Wash Goods, Sheer Chiffons; in fact, every other fabric dear to the heart of the women and the joyous spirit of summer are here, and coupled with them you'll find the latest styles and excellent service. Make your selection here and your summer wardrobe will reflect your taste and good judgment and the cost will cause you to wonder.

Some Dainty Footwear

It is a source of great pleasure to a woman, who loves dainty *Footwear*, when she runs across a charming selection of new, fresh styles in Oxfords, Slippers and Pumps such as we are showing. Every lady who visits this department exclaims: "HOW BEAUTIFUL THEY ARE!" The woman who can't be pleased with the Slippers and Pumps shown by Jefferson this season will have a hard time getting pleased.

Millinery! Millinery!

This has been an unprecedented season in our Millinery Department. Our trimming room has been taxed to the utmost night and day. The styles never were more attractive and charming, the trimming never more varied and beautiful, and the prices never so paltry and pleasing. Yet with the vast number of hats that have been turned out, we have a plentiful supply for the unfortunate ones—those who have as yet been unable to buy. We are showing the daintiest things in Trimmed and Untrimmed Hats and Sailors, and a gorgeous array of Trimmings, such as Flowers, Ribbons, Plumes, Grass, Feathers, etc.

3-inch Ribbon, 10c yd.

We have, while it lasts, some exceptionally good values in ribbon. They are all silk, in black, white, blue, pink and red. Regular 15c quality at 10c a yard, while they last.

Muslin Remnants

We have just received a consignment of short ends of Muslins of especially good values. They run in lengths of from 1 yard to ten yards to the piece. Price per yard only 8c.

Lawns

Our Summer supply of Lawns is now complete with all the nice things of the season. No old stock carried over from last year. We always clean up from one season to another, so when you buy a Lawn here you can rest assured you are getting the newest.

White Shirt Waist Suits and Skirts

Last season was our first venture in this department, and we were so well pleased with the results that we have more than doubled our supply of last season, and now you can find the most nobby things that you ever saw all ready to put on. We have them in White Lawn, also the Linen and Pure Linen fabrics, from $2.50 up to $6.00 for the full suit; also the Separate Skirts of Linen, from $1.50 up to $3.00.
