BOLGIANO'S RECLEANED COW PEAS

WILL MAKE YOU RICH.

Sow them for hay crops, for forage crops after grain crops, on vacant land. Put Cow Peas in every available piece of land you have. They will wonderfully increase the value and productiveness of your entire farm. We strongly recommend the sowing of Mixed Cow Peas. They are composed of Blacks, whip-poor-wills, clays, wonderfuls, Shinneys, Etc. The upright growing varieties will hold up the vining varieties of vines and larger amount of forage.

$1.85 RATE

The Barroll Faction Put a Heavy, Onerous and Unnecessary Burden on Taxpayers—They Will Try To Make You Believe The Organization Did It.

Look At The Facts And Figures—Think For Yourself And Act Accordingly.

Tuesday last the majority of the County Commissioners, without regard to the great burden placed upon the tax-payers of Kent county and under the inspiration and leadership of Hope H. Barroll, Esq., declared a county tax rate of **$1.85** on each $100 and 16 cents State tax, making a total of **$2.01**!

Messrs. Alfred C. Loud and C. Bradford Dudley, the minority in the Board, both Democrats and well posted in the finances of the county, voted against such an enormous rate, claiming there was no necessity for such a burden and also claiming that the figures did not justify it. Their pleas were in vain, and under the spur of their counsel and adviser, the high rate was declared and the people left to pay it or be sold out.

The effort on the part of the Barroll faction to shoulder this blame on the organization fails utterly for the whole scheme is so palpably clear that the dullest intellect can see through it all and knows exactly where to put the blame.

A large tax rate was declared this year in order to relieve next year of an expense and thereby enable the Barroll faction *to lower the rate* and take to themselves great credit.

Honesty and square dealing is the best policy, not only in business but in politics, and the faction or party that tries to build up itself on any other foundation will crumble and fall.

CAPT. ASHLEY RE-ELECTED.

The Board of Public Works on Monday reappointed Capt. Howard commander of the oyster navy and re-elected Capt. Joseph A. Ashley, of Kent County, captain of the police boat Ann B. Smith. Capt. Ashley had the unanimous endorsement of the State Central Committee and of a large number of oystermen. He has made an efficient officer and it was this that merited him a reappointment.

GREATEST KNOWN BLOOD PURIFIERS

The working capacity of any horse can be practically doubled by feeding FAIRFIELD'S BLOOD TONIC for HORSES regularly. It exterminates worms, builds up the health and saves feed.

The farmer that sowed wheat all over his farm and expected to reap a crop of wheat, oats and corn from same, would be more foolish than the man who feeds his horse, cow, hog and poultry from the same package of Condition Powder and expects to get results. The intelligent farmer feeds FAIRFIELD'S, because there is a separate preparation for each kind of animal.
