The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, brick-dust or sediment in the urine, head ache, back ache, lame back, dizziness, sleeplessness, nervousness, or the kidneys themselves break down and waste away cell by cell.

Bladder troubles almost always result from a derangement of the kidneys and better health in that organ is obtained quickest by a proper treatment of the kidneys. **Swamp-Root** corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and immediate effect of Swamp-Root, the great kidney remedy is soon realized. It stands the highest because of its remarkable health restoring properties. A trial will convince anyone.

Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle and a book that tells all about it, both sent free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, and don't let a dealer sell you something in place of Swamp-Root—if you do you will be disappointed.

BY THE AIR LANES.

of vantage to view the aeroplane as it passed on its way to the Quaker City.

Smoking as He Passes Trenton.

A crowd estimated at anywhere between 20,000 and 30,000 persons, many of whom were women and children, thronged the streets of the Jersev capital. As the machine passed over the railroad station at Trenton it was about 400 feet above the earth, but not too far for those with the glasses to see that the small waivy-haired man at the wheel was calmly smoking a cigarette and keeping a sharp eye southward.

By this time the sun had broken through the clouds. The shimmering Delaware river was crossed a few miles south of Trenton, and Mr. Hamilton had flown a fraction more than 50 miles from the State of New York, across the State of New Jersey, into the State of Pennsylvania. And all in 1 hour and 13 minutes!

"He's Coming!"

"He's coming!" was the cry that could be heard for blocks away from the great 12-acre field.

Then at an elevation of 150 feet Mr. Hamilton pushed forward, the steering planes bent downward, the machine swooped to earth, stopping in its descent when about 20 feet from the greensward, when it suddenly righted and skimmed along through the daisies.

Like a great arm rushing forward in the charge, so plunged 400 mounted police of the Philadelphia force.

Mrs. Hamilton, who had been temporarily kept back of the police lines, rushed to her husband, who kissed her and then affectionately greeted his mother. Both women had tears in their eyes.

Train Far In The Rear.

Morrisville, Pa., 28 miles from Philadelphia, was reached at 10 minutes before 9 o'clock. The special train by this time was far in the rear, and those of the watchers on the housetops, hills and streets of the Pennsylvania village saw the man-bird tip slightly in his seat as the machine gently described an arc, then another as he regained his course. By so doing he allowed the special train to catch up with him.

In Philadelphia many thousands gathered in North Philadelphia at Front street and Erie avenue.

Out of the northern sky suddenly was seen to appear a small speck, which, as seconds became minutes, grew larger and larger.

Gov. Stuart Greets Him.

Governor Stuart, of Pennsylvania, was among the first to congratulate Mr. Hamilton.

It is estimated that 60,000 to 75,000 persons saw the Curtiss biplane drop into the field in North Philadelphia. After Mr. Hamilton had shaken hands with Professor King, said to be the oldest living aeronaut, he left his aeroplane in the hands of his mechanics and started in an automobile to rest at the home of a friend. As he was recognized in his torn and oil spattered jacket, his black leggings and his leathern cap, Mr. Hamilton too was given a cheer that lasted in echo for many minutes.

The time of landing in the field at North Philadelphia was taken officially at 20 minutes after 9 o'clock.

Three gallons of lubricating oil and 12 gallons of gasoline were consumed in the flight to Philadelphia, 86 miles from point of starting to point of finishing.

MILLINGTON ITEMS.

Two excellent Children's Day programmes were rendered in Millington last Sunday. The first was held in Trinity M. E. Church at 3 00 p. m , and the second at Asbury M. E. Church at 8 p. m. Although the weather was very unfavorable, both churches were crowded and quite a large sum was added to the Educational Fund.

Miss Edith Dixon, of near town, is the guest of friends in Wilmington, Del.

The final examinations are being given at the High Schools. All the pupils are anxious to know if they are promoted or not.

Mr. and Mrs. J. H. Orem spent a few days this week with Mr. and Mrs. J. E. Higman.

Quite a few of our young folks attended the annual track and field contests at Washington College last Tuesday afternoon. They also attended the banquet of the Alumni Association on Tuesday night and the ball game and dance on Wednesday.

Miss Marguerite Rolph, of Wilmington, Del., was the guest of Mrs. N. M. Jeter this week.

Mr. J. B. Phillips spent Sunday with his parents, Mr. and Mrs. Jos. Phillips.

The High School Stars game was postponed last Saturday on account of the weather, but Centreville High School will play here to-day, rain or shine. Come out.

There are prospects for a "Big Day" at Millington on the fourth of July. The Millington Cornet Band has reorganized and will render some first-class music. At 10 a. m. a big dress parade will pass through all the streets of the town. Prizes will be offered to the parties having the best advertising float and the most comical appearance while on parade. At 2 p. m. the Millington baseball team will meet the strong Trinity Baseball Team of Wilmington, Del., the team that has never lost a game. Come out and see them get trounced. At 6 p. m. the band will give a free musical concert on the main corner. At 8 p. m. the band will make a free display of fireworks, after which you might enjoy yourself at the big dance, the "Patriotic Entertainment" or the festival. If you are looking forward to a swell time, why don't forget that the place is Millington and the time is July the 4th.

YOUR BACKACHE WILL YIELD

To Lydia E. Pinkham's Vegetable Compound

Bloomdale, Ohio.—"I suffered from terrible headaches, pains in my back and right side, and was tired all the time and nervous. I could not sleep, and every month I could hardly stand the pain. Lydia E. Pinkham's Vegetable Compound restored me to health again and made me feel like a new woman. I hope this letter will induce other women to avail themselves of this valuable medicine."—Mrs. E. M. Frederick, Bloomdale, Ohio.

Backache is a symptom of female weakness or derangement. If you have backache don't neglect it. To get permanent relief you must reach the root of the trouble. Nothing we know of will do this so safely and surely as Lydia E. Pinkham's Vegetable Compound. Cure the cause of these distressing aches and pains and you will become well and strong.

The great volume of unsolicited testimony constantly pouring in proves conclusively that Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has restored health to thousands of women.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Mrs. Pinkham at Lynn, Mass., for advice. Your letter will be absolutely confidential, and the advice free.
