Bob says it would be a good idea for some of New York's rich residents to tow an ice berg into New York harbor so as to temper the air these warm days!

Baseball Notes.—Hanson Horsey, the youngest member of the Reading, Pa., Tri-State league team and the pride of Reading was at his best Thursday and the result was that the Marylander shut out the heavy-hitting Williamsport team by score of 2 to 0. The Reading flinger had speed to burn and never had a better assortment of benders than on Thursday and the six thousand fans were glad to see the way the young fellow performed. In the initial inning it looked as if Williamsport would win, when by the errors of the fielders Williamsport had two men on bases and the heavy hitting Rip Cannel (the Ty. Cobb of Tri-State) at bat. But Horsey set the crowd wild by making the giant strike out. Manager Barton says that when Hanson Horsey has control of the ball he is the best pitcher in the Tri-State League.

Strong Healthy Women

If a woman is strong and healthy in a womanly way, motherhood means to her but little suffering. The trouble lies in the fact that the many women suffer from weakness and disease of the distinctly feminine organism and are unfitted for motherhood. This can be remedied.

Dr. Pierce's Favorite Prescription

Cures the weaknesses and disorders of women. It acts directly on the delicate and important organs concerned in motherhood, making them healthy, strong, vigorous, virile and elastic.

"Favorite Prescription" banishes the indispositions of the period of expectancy and makes baby's advent easy and almost painless. It quickens and vitalizes the feminine organs, and insures a healthy and robust baby. Thousands of women have testified to its marvelous merits.

It Makes Weak Women Strong. It Makes Sick Women Well.

Honest druggists do not offer substitutes, and urge them upon you as "just as good." Accept no secret nostrum in place of this *non-secret* remedy. It contains not a drop of alcohol and not a grain of habit-forming or injurious drugs. Is a pure glyceric extract of healing, native American roots.
