Do you feel all tired out? Do you sometimes think you just can't work away at your profession or trade any longer? Do you have a poor apetite, and lay awake at nights unable to sleep? Are your nerves all gone, and your stomach too? Has ambition to forge ahead in the world left you? If so, you might as well put a stop to your misery. You can do it if you will. Dr. Pierce's Golden Medical Discovery will make you a different individual. It will set your lazy liver to work. It will set things right in your stomach, and your appetite will come back. It will purify your blood. If there is any tendency in your family toward consumption, it will keep that dread destroyer away. It is a remedy prepared by Dr. R. V. Pierce, of Buffalo, N. Y., whose *advice is given free* to all who wish to write him. His great success has come from his wide experience and varied practice.

Don't be wheedled by a penny-grabbing dealer into taking inferior substitutes for Dr. Pierce's medicines, recommended to be "just as good." Dr. Pierce's medicines are OF KNOWN COMPOSITION. Their every ingredient printed on their wrappers. Made from roots without alcohol. Contain no habit-forming drugs. World's Dispensary Medical Association, Buffalo, N. Y.

DISASTROUS FIRE IN TOWN OF CAMBRIDGE

Flames Destroy Two M. E. Churches —Started in Stable Loft and Engine Broke at Crucial Moment.

Cambridge, Md., July 31—As the result of the most disastrious, and at the same time spectacular, fire in the history of Cambridge, more than a score of buildings in the centre of the town are smoking ruins and a money loss of nearly a quarter million dollars was sustained. In addition several persons were hurt, one of them so seriously that fatal results are feared.

It was shortly after 2 o'clock this morning that the fire broke out, and for five hours every able bodied man in Cambridge was fighting the flames. Nearby towns were appealed to for aid, but this arrived too late for the Cambridge volunteers succeeded in beating out the flames before the special trains came from Salisbury, Md., and Seaford, Del. A curious coincidence was the fact that yesterday was the eighteenth anniversary of the big fire of 1892, which was one of the most disastrious of Eastern Shore conflagrations.

Buildings Destroyed

Included among the buildings destroyed by the flames this morning was Zion Methodist Episcopal Church, one of the best-known edifices of that denomination on the Eastern Shore. Strenuous efforts were made to save it. Another church, that of Grace Methodist Episcopal South, also caught, but the volunteers were able to beat out the flames before great damage was done.

The buildings which went down before the flames and the estimated losses, including stocks, the buildings being designated by their occupants, are:

Zion Methodist Episcopal Church	$25,000
Grace Methodist Episcopal Church South	1,000
I. L. Leonard & Sons, shoe store	20,000
Lecompte & Harper, furniture store	20,000
Wm H Hooper & Co., hardware store	30,000
H. H. Wright, auto dealer and garage	20,000
Lecompte & Harper, stables	2,000
Harrington & Bayly, dry goods	33,000
Woodward Bros., 5 and 10 cent store	8,000
Edgar Harrington & Co., shoe store	10,000
Phillips Hardware Co., hardware	45,000
J. Ben. Brown, carpenter shop	1,000
Miss S. E. Mitchell, boarding house	7,000
Mrs. M. E. Winterbottom, residence	1,000
Bain Jones, residence	1,500
W. S. Burton, residence	500
Mrs. Eugene Phillips, residence	1,000
Oscar Henry, residence	500
Bailey Brannock, residence	1,100
Charles M. Paul, residence	300

Started in Stable Loft.

The fire started in the loft of Lecompte & Harper's stable, in the rear of their furniture store. It is supposed to have been caused by a spark from the engine of the merry-go-round operated on a lot near their stable.

KENT COUNTY GRANGE

The Kent County Pomona Grange held its third regular meeting for 1910 as the guest of Sassafras Grange, Tuesday last, on the beautiful lawn of Harry Griffith, Master of this Grange. This was more like a grand country picnic, where farmers and their families from every section of the county assembled to help and be helped in many ways. Old Glory, from the front gates, waved a welcome to all. Bunting and flags from the stage declared loyalty to our country as well as to our order. Music of a high order and a delightful literary program were furnished by the host grange. Ample seating capacity for the hundred present, and tables, long and large, were spread beneath the beautiful shade of Mr. Griffith's lawn trees. The good things provided to satisfy the wants of the inner man, in profusion and quality, were of the high order for which the ladies of Kent are famous.

The business of the Grange being disposed of at the morning session, the afternoon was thrown open to the public and Prof. Nicholas Schmitz, of the Maryland Experiment Station, made two addresses, one on the subject of Alfalfa Culture and the other on Wheat Smut and how to combat it. Local talent was interspersed and a very interesting and profitable session held.

THE insurance business of J. N. Wheatley & Co. is being actively continued by J. W. Russell and Jos. N. Wheatley.

PERRY LANDING, a well-known town drayman, lost his fine draft horse one day last week. The animal was 24 years old, and was one of the best in town.
