We are glad to report the condition of Mrs. J. H. Weer, of Kennedyville, who has been confined to the bed and an intense sufferer from La Grippe and Neuritis for the past two weeks much improved. Her mother and sister, Mrs. L. Hayes and Miss Annie, of Galena, have been with her during her illness.

Mr. Holt Eliason having successfully put the Fairfield stock foods on the market is now engaged in introducing a patent heel for shoes, etc.

Mr. John E. Morris has recovered from a spell of the mumps. The Prince of Wales has also had them, so that this disease is no respecter of persons.

Later in the evening the guests were invited into the dining-room, where refreshments were served, the decorations all in keeping with Valentine Day, with pink lights. The favors were heart-shaped valentines.

Dr. Merritt Brice, by card elsewhere in the NEWS announces that he has located in Millington for the practice of medicine. Dr. Brice is well-known in lower Kent as a most estimable young gentleman and we can recommend him to the very favorable consideration of the people of Millington and vicinity.

GRANGE NOTES.

Fairlee Grange held its regular meeting Wednesday evening last. Matters of importance were discussed. A pleasing literary program for the Lecturer hour was pre-arranged. A Valentine and Lincoln evening was very entertaining, after which sandwiches and coffee were served. The February special meeting will be held next Tuesday, 21, commencing at 2.30 p. m. An afternoon and evening program is arranged. Brothers and sisters will be dressed in colonial style. A reception will be tendered to George and Martha Washington.

The regular meeting of Still Pond Grange was held on Tuesday afternoon, at 2.30. The weather was very stormy, the roads were "unspeakable," but the meeting was one of the best in every respect, including attendance. The subject of the Reciprocity Bill and also the Bill on Increased Postage on Magazines was discussed. If the latter passes it will be a great hardship for the farmer. Where we are taking four magazines now only two can we get for the same money. The Secretary was authorized to send a protest against this measure, urging the congressman to do all he can to prevent the passage of this bill. The Grange here has taken on new life. New members are being added and all are enthusiastic. The "Degree Team" is at work and very soon a public initiation will be held. A special treat next Tuesday.
