Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

Weak and unhealthy kidneys are responsible for much sickness and suffering, therefore, if kidney trouble is permitted to continue, serious results are most likely to follow. Your other organs may need attention, but your kidneys most, because they do most and should have attention first. Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root. A trial will convince you of its great merit.

The mild and immediate effect of **Swamp-Root,** the great kidney and bladder remedy, is soon realized. It stands the highest because its remarkable health restoring properties have been proven in thousands of the most distressing cases. If you need a medicine you should have the best.

Home of Swamp-Root.

Sold by druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, and don't let a dealer sell you something in place of Swamp-Root—if you do you will be disappointed.

KENNEDYVILLE NOTES

Mr. Wm. Archibald made a round trip to Baltimore Saturday last, going by the Tolchester Line, and returning by the Ericson boat. He reports a very rainy day in the city, and a snow storm on the bay returning.

Mrs. John Medders has been on the sick list for the past week.

Great interest is being taken in the prospective debate for Still Pond, between the Kennedyville and Still Pond granges.

Mr. Joseph Weer, the courteous, proficient postmaster of Kennedyville is about to make extensive addition to the porch of his very beautiful home, with an ell on each side of the front. No doubt his estimable wife has largely assisted him in the planning. Mr. L. A. Pennington is to do the work. The brick pillars are already lain.

"Aunt Sarah Brown," as she is familiarly known, the proficient, industrious janitor of the Methodist Protestant Church, was absent on Sunday, last, because of a very sick spell of a week. She is much improved at this writing under the skillful treatment of Dr. J. W. Urie. "Aunt Sarah" has made a noble record. She is in her 88th year, and has been sexton of the above named church for about 42 years with very slight intermission. The present pastor of the church says he never knew a more careful, industrious, conscientious church sexton. She has opened and closed, she supposes, about half or more of all the graves in the church cemetery. The first grave she opened was April 10th, 1869, after having become janitor the first of January of that year. This kind of work she discontinued about 12 years ago." Aunt Sarah says; "Many times have I lain out there in the cemetery under the shade of the trees waiting for the coming of the funeral." She is held in highest respect by both white and colored because of her honest Christian life and industrious habits, and her many friends, and especially the people of the Methodist Protestant Church hope she may soon be entirely restored to her usual health and place as keeper of the House of God.

Church Services, April 30th—9.30 a. m. Sunday School. The energetic superintendent, Mr. John Medders, earnestly asks that everybody, children and adults make industrious effort to be on hand promptly at 9.30 sharp 10.30 a. m., Sermon by the pastor, topic "Spring-time, Emblem of the Hope and Calling of the Church." 2.30 p. m., Junior C. E. Service and short sermon. Come and work and worship with us.

A meeting of the special committee of the Aid Society in the interest of the new carpet for church, and other church enterprises, will be held in the home of Mrs. J. W. Urie, Wednesday afternoon at 2.30 o'clock. All members of the committee are urged to be present.

A MINISTER AND HIS WIFE SEVERELY POUNDED.

Rev. G. Q. Bacchus and wife on Tuesday night last were persuaded from the parsonage into the Sunday School of the M. P. Church, St. Michaels, where had gathered large representations of St. Michaels, Bayside, Caliborne Churches. The different departments of each church were represented and gave Bro. Bacchus and wife a hearty reception, assuring them of their hearty co-operation and support this conference year. After singing and graphophone selections, refreshments were served. Oh the pounding, never in the history of the church was any minister so completely pounded. Pantry filled to overflowing. With a desire that their very pleasant relations may continue, all repaired to their homes, feeling that the evening had been well spent.
