DORCHESTER COUNTY HISTORICAL SOCIETY

POSTSCRIPT

By Yesterday's Boat from Balto.

GOV. WALKER'S RESIGNATION.—We received last night a copy of the letter of Rev. Walker, of Kansas, accompanying his resignation, which was submitted to the President on Wednesday. We have only had an opportunity to glance at its contents, which in tone and purport have been generally anticipated. The language is respectful, and the document, in everything but its argumentation, unexceptionable.—*Baltimore Sun,*

GENERAL WALKER IN NICARAGUA.—The Consul of the United States at Punta Arenas writes to the State Department, under date of 30th of November, six days after Walker's arrival, that the filibusters were living in houses rented from the Indians at that place; that Walker had formally proclaimed himself President of Nicaragua, and that he was waiting, before pushing into the interior, for reinforcements of men and munitions of war, which he was daily expecting.

ANNUAL REPORT OF GEN. SCOTT.—The annual report of Lieut. Gen. Scott on the condition and wants of the army is a brief, business-like document. He refers to the incessant Indian wars; the harassing duty thereby imposed upon the army; the inadequate force employed, and recommends an increase of the army by the addition of one regiment of horse and three regiments of foot; also the enlistment of men for particular corps of the service, as tending to promote military efficiency. A revision of the army regulations and the infantry tactics in use are also recommended, and suggestions regarding the physical comfort and moral elevation of the troops are made.

BRIGHAM YOUNG.—This noted "Saint" is said to be one of the proprietors of the town of Florence, in Nebraska Territory, and has also certain special rights in the ferry privilege at that place, by which his followers are to be ferried across the Missouri at half the usual rates. The fact of his ownership has but recently been ascertained, and has caused no little excitement among the Nebraska "Gentiles."

SPECIE PAYMENTS.—It is stated that a resumption of specie payments by the Philadelphia banks is under serious consideration. Most of them are believed to be possessed of ample means, and we may expect that all which are sound will resume by the first of February at furthest.

NEW ORLEANS MINT.—During November there was deposited at this mint $594,579 in gold and $520,103 in silver. The coinage for the month embraced $270,000 in silver.

GRAIN TRADE OF CHICAGO.—The receipts of flour, wheat, corn and oats at Chicago, this year, are equivalent to 18,221,443 bushels, and the shipments to 17,728,329 bushels.

☞Rev. John Bray, formerly of Cumberland, Md., has accepted a call to Bethesda Baptist church in New York city.

☞Gen. Tench Tilghman has been re-elected president of the Maryland and Delaware railroad.

EASTERN VESSELS IN THE SLAVE TRADE. The schooner J. H. Records, formerly of this port, which was sold at Havana last spring, has recently been captured by the English steamer Antelope, with a cargo of 200 negroes, bound for Cuba. The schr. Albert Deveraux, formerly of Falt River, which was sold at Havana about the same time as the J. H. Records, has also been captured with a cargo of three hundred and sixty negroes on board near the coast of Africa. Several other vessels have also been captured and confiscated on the coast for the same. The brig R. B. Lawton of this port was sold at Havana about the same time as the above, and has not yet been heard from.—*Newport News.*

LAND PRE-EMPTIONS AT DONIPHAN.—A correspondent of the St. Louis Republican, writing from Doniphan, K. T., says that Gen. Whitfield and ex-Secretary Woodson have their hands full in adjusting the claims of pre-emptors at the land office there. About a thousand cases have alread been pre-empted, which comprise 160,000 acres of land, at a cost of $200,000. "You would hardly suppose it possible," says the writer, "for a money panic to prevail, if you saw the heaps of gold that are every day poured from the old buckskin purses of the hardy pioneers of this beautiful new country."

MARRIAGE OF LOLA MONTEZ.—The contemplated marriage of Lola Montez, Countess of Landsfeldt, has been already announced. The bridegroom, it is stated, is the Prince Solkowski, who is blessed with the following array of titles: Prince of Bielitz, Count of Reissen, Count of Schonmi, Count of Kobelin, and Count of Lessa. His estates are situated in Austrian Silesia. He has been residing, however, for several years in the northern part of New York State, on a farm which he purchased and still owns. He is about forty years of age. It is stated that when married he will return at once to Austria.

GOLDEN WEDDING.—At the house of Wm. F. Mott, an old and highly esteemed merchant of New York, was celebrated, a few days since, the golden wedding of himself and wife, being the fiftieth anniversary of their marriage. There were none present but near relatives of three generations, and the occasion was one of much interest. Mr. Mott and lady are members of the Society of Friends, and are well known to all old New Yorkers.

HIS BOOTS.—The Charlestown (Mass.) Advertiser says a whale of the humped-back species was driven ashore at Nahant, a few days since, and upon being cut open, a pair of boots marked "J," in a good state of preservation, were found in his entrails. It is supposed that the boots, as they were marked "J," belonged to Jonah, and were taken off and left behind by accident when he made his exit from the big fish.

TURKIES BY DROVES.—Several droves of turkies, one of which numbered 150 fine, fat goblers, were driven through Franklin county, Pa., on Monday, and Tuesday. They had been driven in that way, many miles and were destined for Baltimore.

Wild Cherry at the South.

Our Agent at Athens, Georgia, sends us the following Letter, with permission to publish:—

ATHENS, August 24.

Dear Sir: Having been afflicted for more than ten months with Chronic Inflammation of the Lungs, at times very severely, and having adopted many medicines without any but temporary relief, I purchased about three bottles of *Wistar's Balsam of Wild Cherry,* from the effects of which I obtained more relief than from all the medicines I had ever taken for that distressing disorder. I have, by the repeated use of this valuable Balsam, been more free from pressure for breath and oppression on the Lungs, than I had anticipated, and, indeed, conceive that I will be cured, by containing its use, of this most disheartening malady. I do most cheerfully tender you this acknowledgement, which you will use as your judgment dictates.
