Most daring Highway Robbery.—A N. York paper states, that a person in North Carolina, who was lately sent out by his employer to dispose of goods, while on his return with the proceeds, and when in a bye-place on the road, was robbed of his treasure. The usual outcry was made; he was desired to point out the spot where the robbery took place, whither the magistrates accompanied him, but discovering no marks of the dreadful scuffle which had taken place, they proceeded to search the plundered man himself, and wonderful to relate, the very bills of which he had been robbed were found sewed up in the lining of his own coat. Mr. Three Singles was accordingly arrested, sent to prison, and will undoubtedly be convicted of robbing himself.
