CAMBRIDGE CHRONICLE

"OUR COUNTRY—RIGHT OR WRONG." AND E. Shore Advertiser.

VOL. V. CAMBRIDGE, MD. SATURDAY, JUNE 24, 1826. NO. 119.

Take Notice.

THAT the annual meeting of the Commissioners of the school fund for Dorchester county, will be held at Cambridge, on TUESDAY 15th of August, 1826, at the Court House, at 10 o'clock, for the purpose of establishing schools in the different neighbourhoods throughout the county. It is particularly desirable on this occasion there should be a full meeting of the commissioners of the school fund for Dorchester county, and at least one auxiliary trustee from every school in the county should punctually attend, and all others interested in the welfare of this institution, without which it is impossible to carry into effect the benevolent designs of the legislature who passed this law. It is my opinion and it is with reluctance I give it, that if there is not a greater co-operation in the commissoners of the school fund for this county, the auxiliary trustees and all other persons interested in order that equal justice should be done, to every neighbourhood in the county, in the distribution of this fund, that the fund will be withdrawn altogether.

WILLIAM W. ECCLESTON.
President of the board of Commissioners of the school fund for Dorchester county. June 10 4w

Notice to Creditors.

BY order of George Jones Esq. one of the justices of the Orphan's Court for Somerset county, (in the recess of Somerset county Court,) notice is hereby given to the creditors of David P. The said creditors are therefore required to attend at the Court House in the said county, on the said day, (if they shall think fit,) and nominate a trustee or trustees, to be appointed for their benefit, or to shew cause, if any they may have, why the said David P. Malone, shall not receive the benefit afforded by said laws.—Dated the 30th day of May, 1826.

LAND FOR SALE.

THE subscriber offers for sale FIVE HUNDRED ACRES OF LAND, on Quantico creek, in Somerset county. A large portion of this land, is heavily timbered, with fine pine and oak.—It is believed enough timber might be sold from the tract, to discharge one half, or two thirds of the amount, that would be asked for it. There is as good a landing on the premises, as can be desired—from which timber and produce may be taken off with great convenience. Advantageous contracts for timber, might be made with the proprietors of the Steam Saw Mill, on Nanticoke. The distance of water transportation to the mill being inconsiderable. About one half, or rather more, of the above land is cleared.—He also offers for sale or rent, his FARM, on Chickmicomico river, in this county; not long since occupied by the late Willis Vincent. If desired, he can lay off this farm in such a way, as to enable the purchaser to have a great deal of excellent white oak timber to dispose of attached to it, and convenient to the mill above mentioned.

On application of *William G. Lecompte* Adm'r. cum testamento annexo, of *John North,* late of Dorchester county, decd. It is ordered that he give the notice required by law, for creditors to exhibit their claims against the said deceased's estate, and that the same be published once in each week for the space of *three successive weeks,* in the newspaper printed in the town of Cambridge.

THE subscriber has just returned from Philadelphia and Baltimore with a fresh supply of NEW GOODS; adapted to the present and approaching season, which he will sell at a small advance for cash, or such articles in exchange as may suit—and invites his friends to call and examine for themselves.

He returns his grateful acknowledgements to his friends and customers generally, for past favours, and especially to that portion of them who have been good enough to furnish him with *the one thing needful*—to them accommodation will be extended cheerfully—But to that portion of his customers, who have neglected *the needful supply,* no further accommodation can or will be extended—He is compelled to this determination from a conviction, that in most cases, it want of means has not been the reason for non-payment—and that calculations are made on his disposition to indulge. However grateful he may be for past favors, this cannot release him from the obligation he owes to himself and family.

One hundred dollars reward.

RANAWAY from the subscriber on Friday the 19th of May, a negro man named HENRY, 20 years old, not very black, about five feet ten inches high, broad face with high cheek bones and large size; when spoken to has a considerable impediment in his speech—the clothes he has with him are not known—Is supposed to have gone into Oxford Neck, or Dorchester county, from the circumstance of a small batteaux having been taken off the same night from the adjoining farm.

ALSO—Ranaway on Sunday night the 21st May, a negro man named BILL—he is known in the neighborhood by the name of BILL BUCK but he calls himself WILL HAMMOND: very quick in his motions, very black, about five feet seven inches high, he is very talkative, carried with him one suit of old kersey clothes, a blue cloth coat, supposed to have H. L. Edmondson written on the lining of the sleeve, a pair of striped cassimere pantaloons, 2 pair of shoes, and 12 or 15 lbs. of bacon. He is a half brother to Henry, and the probability is, they are together.
