FARM FOR SALE.

THE subscriber offers for sale a small Farm, lying in the upper part of Vienna district, and situated directly upon the county road leading from Vienna to Crotches' Ferry, and about 3 miles from the latter place.

This farm contains about **170 Acres** of land, of which about 60 acres is cleared and in cultivation, and the remainder covered with *WOOD AND TIMBER*, a large portion of which is suitable for *CORD WOOD*—and from its convenience to navigable water might be profitably used. The arable land which is divided in two fields, is in tolerable condition, (for land that has received so little attention at the hands of its tenants,) and would be very easy to improve; and there are branches upon the farm which would furnish to an enterprising person inexhaustible sources of manuring at a trifling expense. The improvements consist of a *DWELLING HOUSE, KITCHEN, SMOKE HOUSE, GRANARY, STABLES, &c.*, all nearly new and in good order. There is an orchard of young trees near the dwelling which affords an abundance of good fruit, also, a well of excellent water near the door,—and the situation altogether is a pleasant and healthy one. The terms can be known or any other information relative to the property obtained by calling on the undersigned.

CHANCERY SALE.

BY virtue of a Decree of the Court of Chancery, I will sell on

Wednesday the 15th August next,

at Upper Hunting Creek Mills, between the hours of 10 o'clock, A. M. and 2 o'clock, P. M., the farm on which Jacob Leverton resided in his lifetime, and which by his Will he left to his two daughters, Ruth A., since intermarried with Twiford Noble—and Mary Elizabeth,—for the purpose of distribution amongst those entitled.

This farm being the homestead of Mr. Leverton, is in a fine state of cultivation, also very pleasantly situated, in Caroline county, near the border of Dorset. The buildings, improvements, &c., are in excellent order, and of fine size and quality.

It is supposed to contain something upwards of

Two Hundred and Fity Acres of Land,

A particular description of it is deemed unnecessary, as persons desirous of purchasing, will have the privilege of seeing and examining it.—Mrs. Leverton, the widow of Jacob Leverton, is upon the place, and will furnish any facilities that may be desired for such examination.

The farm will be sold subject to the rights of the widow under the will of said Jacob Leverton, such as the privilege of using a part of the house, &c., not being such however as to lessen to any considerable extent, the value of the property.

The terms of sale as prescribed by the decree, are one fourth cash on the day of sale, and the balance in equal instalments of six, twelve, and eighteen months, with interest from the day of sale, to be secured by bond and security approved by the trustee. Upon payment of the purchase money, the trustee, by a good and sufficient deed, at the cost of the purchaser, will convey to the purchaser the said property, free and clear of all rights of the said parties to this suit, and of all persons claiming by, from, or under them, or either of them.

VALUABLE

REAL ESTATE FOR SALE.

BY virtue of authority vested in me, I will sell at public sale, at the hotel of Benton H. Crocket, in the town of Vienna, on

Saturday the 11th day of August,

between the hours of 10 and 4 o'clock, those very valuable tracts of land well known as "*Hickory Ridge*," '*Hickory Ridge Enlarged*,' '*Hickory Ridge Regulated*,' '*Addition to Hickory Ridge*,' '*Maiden's Forest*,' '*John's Outlet*,' *and Turkey's Nest*.' These tracts contain

379 1-4 Acres, more or less,

and are situated in 'Maiden's Forest,' and adjoin the 'Brick Mill.' The location is healthy, and the neighborhood pleasant and agreeable. A School House and Church are within convenient distance. The soil is very kind and susceptible of the highest improvement, the manures of branch mud, &c., in the greatest abundance being found on them. They are heavily timbered with the best WHITE and RED OAK, and tolerably convient to navigable water. There are a DWELLING and the necessary out houses on the tract known as 'Hickory Ridge,' (containing 250 acres, and now occupied by Mr. Daniel Walker) in common repair. On 'Maiden's Forest' and 'Hickory Ridge Enlarged' (containing 56¾ acres) there is a new dwelling with all the necessary improvements new and in good order. 'John's Outlet' and 'Turkey's Nest' contain 72½ acres, all covered with the best WHITE and RED OAK TIMBER.

These lands will be sold separately or together as may suit purchasers. It is believed a better opportunity for a very profitable investment will not be offered again soon, and the attention of those desiring to make such outlays is particularly directed to it. The title to the land is indisputable.

The terms of sale are one third of the purchase money to be paid in cash on the day of sale, one third in one year thereafter, and one third in two years. The credit payments to bear interest and to be secured by notes with approved security. The purchaser or purchasers will be entitled to the rents from the day of sale, and possession will be given the first day of January next. On the terms of sale being complied with, I will at the expense of the purchaser, convey by a good and sufficient deed, the above property free and clear of all incumbrances whatsoever.

CHANCERY SALE.

BY virtue of authority derived from the Hon. Chancellor of Maryland, I will offer at public sale to the highest and best bidder, on

MONDAY the 2d day of JULY

next, between the hours of 11 and 2 o'clock, at the Court House door in the town of Cambridge, all the Real Estate of which Aaron G. Cook, late of Dorchester county, died, seized, consisting of a moiety of the following tracts, to wit:—"White Ridge," containing 400 acres, "Pilgrimage," 25 acres, and "Ennalls' Indian Purchase," 10 acress; being the same land which was devised to the said A. G. Cook by his father Aaron Cook. A large portion of this land is covered *heavily* with white and red oak, and from what I am told, an enormous quantity can be cut and sold without detriment to the agricultural interests of the farm. The estate is situated from Choptank river about two or three miles, from the town of Cambridge about six miles, in a good neighborhood, convenient to schools and churches, thereby offering to persons wishing to engage in lumber business, a fine chance for speculation, and to those desirous of farming, an opportunity for investment. The soil is thin, but easily improved, and if the profits of the superabundance of fine timber be used in manuring said land, the whole estate can be put in fine order, and made exceedingly rich and productive.

Persons desirous of purchasing can examine the premises for themselves, and will doubtless be aided therein by Mr. Edward H. Cook, who resides on the adjoining portion of said lands, if called on for that purpose.

In accordance with the decree, and order of the Chancellor, I hereby notify all creditors of the said Aaron G. Cook to file their claims against him, duly authenticated, and proven according to law, in the Chancery office at Annapolis, within six months form the aforesaid day of sale.

The terms of sale will be as follows: one third of the purchase money to be paid on the day of sale, and the balance in equal instalments, in one and two years from the day of sale, secured by bond and surety approved by the Trustee, and bearing interest from date.

THE *NIAGARA SHOWER-BATH an entirely new article for SHOWER BATHING, With Cold or Warm Water.*

A great and important improvement is made in this Shower Bath over all others, by throwing the water immediately on the body without wetting the head, unless at the will or pleasure of the bather; but a greater point is gained by being enabled to bathe with warm water, which no other Shower Bath is adapted to—and most important of all, the Bath can be medicated without injury to the hair.

Many persons cannot take a cold bath—their case is met in this, as they can regulate the temperature of the water to suit their wish and commence bathing at any season of the year without any unpleasant result. Ladies can have the advantage of bathing without wetting the head or covering the same.

The arrangements are simple and complete, and not liable to get out of order. The Bath can be adjusted to suit any heigth, from a small child to the tallest person. When the door is closed, the fixtures are hid and the outside appearance is that of a neat piece of furniture.

They have received the approbation of several medical gentlemen—others are requested to call and examine them.
