Jack confined to Bed; Hickman working in the
Barn & Sorting Gates, last night it came on to rain
about Midnight & continued mostly during this day

Monday 4th

Pompey & Charles employed transpiring wheat
Jack attending Cattle &c. Hickman at Bedsteads &c. a Cold Blowy Frosty day. I went
to Town & Signed Mr. Bonds with Lillman

Tuesday 5th

Finished transpiring wheat, & delivered 27 Bs.
wheat by Mr. 24 B. 35 Jack & Pompey cleaning Limes
Hickman at Bedsteads &c. a cold frosty day

Wednesday 6th

Finished cleaning Wheat & sent to Mr.
Clabourn 18 Bushels 13.39 / 24.35 / 19.— } 57.14 @ 12/6 £35-15-6 / $95-40
and for Family use 2 Bushels

Thursday 7 Jany. 1813

Charles set out for York this Morning
Pompey & Jack about the Yard & Stables
with a Parcel of P. & C. from Hickman
Pressing Pots & Casks, a mild day

Friday 8

Pompey Cutting Wood, Jack at Sundry Jobs &c
at York Hickman at Bedsteads & Gates —
a very Severe Frost last Night & this forenoon &c.

Saty. 9th

Pompey threshed 10 Bags of Corn (3 Bushels each) Jack
attended Cattle &c. Charles returned from York with a
Load of Plants. I went to Town in the Evening

Mondayth.

Pompey & Charles threshing & Banting Corn
to grind Jack a-putting Hickman at Gates &
Bedsteads a Mild Frosty day. I went to Town
& Settled with Lillman

I find that a Flour Barrel holds holds
exactly 3 Bushels Wheat 2 Bushels of Corn
makes one of Fine Corn — I measured
12 Barrels of Corn which produced 18 Bushels
of Fine Corn, being only ½ Bushel over the half
