ing Flax at
Sunday John

Tuesday 9 March 1813

Frost last night all hands employed in hauling Dung
the ground got too soft, so I gave it up, put up 1 panel
of P. & Rail, removed some Logs from the yard &
Hickman altering the Steam Room, a fine day
Alex had a Team Load —

Wednesday 10

Last night the last Swain Lambs both died —
Company & Swain Cutting & Hauling Rails, Charles
Hauling Sundrys, Jack went to J. Lowe
Hickman dressing P. & Rails, put up 2 Panels
a dark damp day —

Thursd. 11

Company & Swain Hauling Chestnut Rails, Ch.
went to Town with a Cow as did Margaret &
he afterwards brought home a Load of Rails, old Jack
~~sick~~ attending Cattle &c. a wet evening with Thunder
Hickman Sawing Rails

Friday 12

Last night a deal of Thunder, Lightening & Rain
Company finished Hauling Rails say being two
days Work of he & Swain & 1 day of himself, Charles
hauled 3 Loads of Rails, Jack sick, Hickman &
I put up the Stove Pipe & the Window in the
Kitchen, a damp dispagreable day with Rain
in the Evening.
