Wine Casks

To 1 Gallon Sperm. Oil, & 1 lb. Rosin melted together add ¼ lb. Litharge. mix them well together & pay the outside of the Casks when hot. this will pre-serve the wood & keep the Hoops from rusting

Before using

Scald the the inside with boiling Lye, after wards wash them well with clean Cold water

To Cure the fistula

Apply Blue Stone two one day, & Burned Oyster Shells pulverized & mixed with white Hickory Ashes the next & so alternately till the roots be destroyed, if any remain (like blue veins) pull them out, then use brittles Oil once a day followed by Oil of Spike with a small mixture of Sweet Oil & turpentine.

To Cure the Ringbone

Mix ¼ oz. Sp. turpentine.
¼ Oil of Spike.
¼ Oil of Stone.
¼ Sp. of Wine.
¼ Oil of Vitriol.

put the Vitriol in last. Grease the hoof well with hog lard, let none go on the ringbone, nor any of the mixture touch the hoof. Rub once a day for 4 or 5 days
