The great Democratic primary in Woolery's district, on Saturday last, brought out an immense vote. In fact the district was raked from end to end and crosswise, and all sorts of methods were used to capture the Democratic voters for one side or the other in the contest. Corn-juice flowed freely and pulling and hauling, fighting and kicking were the natural results. But then it was all done in the name of the immaculate Democracy.

A Driving Accident.

Mrs. Frank F. Shipley, of this city, was painfully hurt by jumping from a buggy, in which she was riding with her husband, on Sunday evening last. They were on their way to evening service at Thomas' Chapel, near Tannery, when the horse driven by Mr. Shipley was frightened by a cow which was lying down by the roadside and jumped up as they were about to pass. The horse suddenly wheeled around when Mrs. Shipley, seeing the buggy was about to be overturned, sprang out and sustained a dislocation, if not a fracture, of her ankle. The injury was very painful and the limb became so much swollen that her physician, Dr. J. T. Hering, was constrained to defer a critical examination until the swelling abated. Mr. Shipley remained in the buggy until it was overturned and received but slight injury. By the sudden exertion of strength he lifted the vehicle on its wheels just as the horse dashed away with it. But little damage was done to horse or vehicle.

Rain was produced to order in Texas last week with our new thunder. A large quantity of dynamite was exploded in a cloudless sky one and one quarter miles heavenward, and the result was a four hours pourdown of rain. The rain theory which is now being experimented upon is our invention, and with the certified papers which we hold the indications are that Uncle Sam will be convinced of the fact without trouble.

Horace Greeley once said that the time would come when the sea would be pumped up to irrigate the soil, but the Democracy ran him for president and that killed him. The sea remains just where Noah left it, and it will so remain one thousand years to come. It will then become aqueous vapor and will envelope the molten globe, and darkness will be upon the great deep the same as it was prior to Adam.

Our Democratic friends here are greatly worked up and Judge Bond and others have many sympathizers.

Democratic Primaries and County Convention.

The Democratic primaries held in this county on Saturday last were the most hotly contested in the local history of that party. The chief interest centered in the contest for the vote of the county in the judiciary convention to be held in Annapolis on September 24th, but it was well understood that the contention extended as well to legislative and county nominations. As is known, Hon. Chas. B. Roberts, for the judgeship, was opposed, in many of the districts, by a combination of the friends of Judge Bond and Mr. Henning, and the largest vote ever cast at a primary election was polled. Delegates favorable to Mr. Roberts were elected in all the districts except Woolery's, in which 394 votes were cast, a greater number than the Democrats ever polled in the district at a general election. The majority for the combination was 26. Taneytown gave Mr. Roberts 21 majority and Uniontown 37. The vote in Myers' district was 254; Manchester, 435; Westminster, 597; New Windsor, 187, with large majorities in each for the Roberts delegates. Hampstead, Freedom, Middleburg, Union Bridge, Franklin and Mt. Airy went the same way, several of them without opposition.

The delegates chosen met at the court house on Monday and the convention was called to order by county chairman B. F. Crouse. Dr. Somerset R. Waters, of Mt. Airy district, was made temporary chairman and Jacob P. Baltozer, of Manchester, temporary secretary. A committee on credentials and permanent organization was appointed and reported the delegates in attendance entitled to seats in the convention. The committee also recommended that the temporary chairman and secretary be made permanent, and that Wm. H. Hooper, of Franklin, and J. Calvin Wentz, of Union Bridge, be made vice-presidents. The report and recommendation were adopted and the following resolution was then offered and passed unanimously.

Resolved, By this convention, that the following named gentlemen, to-wit: Johnzee Baesman, of Freedom district; David P. Smelser, of New Windsor district; Charles V. Wantz, of Westminster district; Jacob H. Blocher, of Manchester district, and Nathaniel Bay, of Woolery's district, be and they are hereby elected delegates to the Democratic judicial convention to be held at the city of Annapolis, on the 24th day of September, 1891, and cast the vote of Carroll county for Charles B. Roberts for Associate Judge of the fifth judicial circuit, with power to fill vacancies.

The convention then proceeded to the nomination of candidates for the several county offices and the Legislature, and the ticket was made up as follows:

Clerk of the Circuit Court.—Benj. F. Crouse, of Westminster.

Register of Wills.—George M. Parke, of Westminster.

Sheriff.—Albert A. Dorsey, of Freedom.

State's Attorney.—Charles E. Fink, of Westminster.

State Senator.—Pinkney J. Bennett, of New Windsor.

House of Delegates.—Evan Haines, of Uniontown; Robert Sellman, of Mt. Airy; Edward Leeds, of Union Bridge; James G. Berret, of Freedom.

Judges of Orphans' Court.—David H. Hoffacker, of Manchester; Dr. James P. Summers, of Westminster district; Lewis Cash, of Middleburg.

County Commissioners.—David Stoner, of Uniontown; Hezekiah Hahn, of Taneytown; Joshua Caltrider, of Hampstead.

County Treasurer.—Charles Brilhart, of Manchester.

County Surveyor.—Theodore M. Yeiser.

The nominations for Clerk, Register of Wills, State's Attorney, members of the House of Delegates, County Treasurer and County Surveyor were made by acclamation. Three names were presented for Sheriff, namely, Albert A. Dorsey, of Freedom district; Elias B. Arnold, of Woolery's district, and J. Oliver Murray, of Hampstead district, the voting resulting as follows: Dorsey, 36; Arnold, 10; Murray, 19.

For Judges of the Orphans' Court, Mr. David H. Hoffacker, of Manchester, and Dr. James P. Summers, of Westminster district, members of the present court; Lewis Cash, of Middleburg; Jacob Zacharias, of Myers'; Columbus Elseroad, of Hampstead, and John E. Gaither, of Freedom, were placed in nomination, the vote standing as follows: Hoffacker, 60; Summers, 44; Cash, 45; Zacharias, 30; Elseroad, 11; Gaither, 5.

For County Commissioners Messrs. David Stoner, of Uniontown, and Hezekiah Hahn, of Taneytown, members of the present Board; Joshua Caltrider, of Hampstead, and John H. Stem, of Franklin, were placed in nomination. The vote was as follows: Stoner, 59; Hahn, 64; Caltrider, 60; Stem, 12. The nomination of Mr. Stoner is a marked compliment to that gentleman, as he is now serving his fourth term, and has been President of the Board for a number of years.

The most interesting contest occurred on the senatorial nomination. It was understood that the present Senator, Mr. Pinkney J. Bennett, was inimical to the State ring, having voted against several of the pet measures of the bosses at the last session of the Legislature. His friends did not hesitate to say that the word had been passed that he must be defeated in the convention at all hazards. But he came to the convention with strong support and went into the fight to win. It was generally supposed that Mr. Robert Sellman, of Mt. Airy district, would be his opponent, but Mr. Bennett claimed that he, Mr. Sellman, had agreed that if he did not carry Franklin district at the primary election he would not be a candidate. The delegation from that district was for Mr. Bennett, and it is supposed that, for the reason assigned, Mr. Sellman's name was withheld from nomination and that of Col. James G. Berret, of Freedom district, presented. When the first ballot was taken it showed 33 votes for Col. Berrett, 31 for Mr. Bennett, and a ticket bearing the name of Col. James G. Bennett. Still, Col. Berret appeared to have a majority, but it was only apparent, as one of the Myers' district delegates announced that he had ordered his vote to be cast for Mr. Bennett, while the whole vote of the district was given to Col. Berret. The correction of this ballot gave each of the candidates 32 votes, the ambiguous ticket referred to having been discarded. On the second ballot Mr. Bennett received 37 and Col. Berret 28. Mr. Bennett and his friends were greatly elated at the result, which they claimed was a direct defeat of the State ring.

The defeated candidate, Col. Berret, was among the earlier members of the House of Delegates from Carroll county, and subsequently removed to Washington, D. C., of which he was elected mayor well nigh forty years ago, and where it is said he still spends most of his time. He is registered in Freedom district.

The blind ladies, Miss Denny and Miss Burgoon, held their entertainment in the I. O. O. F. Hall on Thursday evening last and were greeted by a full house. Their door receipts were $22.10. Miss Denny is preparing herself for a music teacher and is endeavoring to arrange for another year at school.

We had the pleasure of being present at the Lineboro Sunday School pic nic on Saturday last, which showed a great deal of preparation for the public entertainment given the large crowd in attendance. Singing, and the address of Rev. N. J. Miller, filled the program for the morning. The school reassembled at 1.30, P. M., and resumed the exercises. Miss Maggie Warner's class, presented Queen of the Day; Mr. Tine Wentz class, Wisdom's Emblems; Harry Albaugh's class, Decorated Class; Mrs. Benson's Class, The Two Dispensations, which attracted much attention. An address by Rev. Eyster, and infant class exercises, concluded the program. The singing class and the Brodbeck's Band continued to enliven the occasion with fine music until late evening. The school is officered by J. D. Zehring, superintendent; Daniel Armstrong, President; Tine Wentz, Vice-President; Abbie Wentz, Treasurer, and is in a flourishing condition. It gathers in the children of the Warner and Wentz Valleys which are continuations of the prosperous sections west of us, namely, the Cranberry and Bachman's Valleys.

A ride through the latter two shows prosperity and thrift on all sides. The homes with their substantial brick or stone houses, and massive barns groaning under the weight of the gathered harvest, are very inviting and comfortable. The old Dug Hill fields are producing mammoth corn, and the fruit crop, too, is great, while the "Spirits" are plentiful. Friend Aleck has 330 barrels under lock and key and is enjoying a good time during the closing down of the Rohrbaugh distillery, which, with the warehouses, is receiving a coat of paint.

The remains of Mr. R. L. Simpers, who died on Friday morning, were laid away to rest on Sunday noon in a family lot in the U. B. Cemetery. He was 69 years and 9 months old. Mr. Simpers was the most widely known of any man in our section, having traveled the most of the Western Shore of Maryland, with much of the south western section of Pennsylvania, for many years, as an agent of various articles. During the last years of his travels he was handling Fouts's medicines, &c. He had been lingering since early spring with kidney and heart troubles. His last moments were peaceful, with a bright hope of a glorious life beyond. Rev. J. P. Anthony presented comforting thoughts from the text, "I would not live alway."

The sale of the real estate of Jacob Menchey, deceased, on Thursday last, was well attended and, upon the whole, fair prices were realized. The home farm, 147 acres, was sold to Jacob W. Dubbs for $29 an acre; lot No. 1, to L. B. Hoff, at $32 an acre; No. 2, to John Groft, at $58; No. 3, to Wm. Cummings, at $9.25; No. 4, to S. H. Forney, at $58; No. 5, to Geo. P. Wantz, at $29.50; No. 6, to John Kephart, at $39; No. 7, to E. W. Warner, at $36.25; Nos. 8 and 9, to N. W. Rest, at $30; No. 10 to Emanuel Sellers, at $15.75; Nos. 11 and 13, to Noah Peterman, at $14; No. 12, to John Fullmer, at $11; No. 14, to John Gelman, at $22; No. 15, to Wm. Crumrine, at $12.75 per acre, making sales amounting to a total of $6,043.52.

The musical festival that was interrupted by the heavy rain showers several weeks ago will be repeated on Saturday, the 12th of September. The committee are putting forth every effort to arrange for a pleasant time for all. It will be held in the York Hill Grove.

Mr. John H. La Motte has a lot of fine potatoes on exhibition at the drug store, some weighing 25 ounces, but it is said that Mr. Fulmer, of near Melrose, has a variety that has yielded largely, many of them weighing two pounds and more.

"Music," the famous fox hound and the best rabbit dog east of the Rockies, committed suicide on Tuesday night by hanging herself from a paling fence next to her kennel in her master, Mr. William A. Gettier's, yard.

Camp-meeting-going certainly was contagious in this section on Sunday as well as all along the line of the railroad. The threatening weather of the early morning did not deter visitors and many wended their way to the station to meet the early train, while the excursion train was loaded to overflowing.

The Misses Trump and Mrs. Ober arrived home on Friday last from their trip, which proved very pleasant, they having had delightful weather all the time. They spent a week very profitably at Chautauqua, of which the Misses Trump are graduates.

Rev. C. M. Eyster held harvest home services in the Lutheran Church here on Sunday last. The altar and chancel decorations of grain, fruits and flowers were fine.

As was expected the turn out at the Democratic primary was large, 435 votes being cast. The excitement ran high, and it was a good demonstration of a house divided against itself.

Since my last we have been visited by heavy showers of rain that have washed fields and roads very bad at many places, swelling the streams beyond what they have been for a long time before.

H. T. Weaver and family, of Gettysburg, Pa., were the guests of Mr. Chas. Grove, of Germantown, several days last week.

The influx of visitors to our town and neighborhood during the last week has been greater than any time this season.

Although Dr. Jno. F. B. Weaver is still closely confined to his room, his condition is improved.

FARMERS!

Lend Us Your Ears.

It is an indisputable fact that the

HOME MANUFACTURE

of Fertilizer in this county has reduced the cost of it to the farmer from

Three to Five Dollars Per Ton

and saved to them

Thousands of Dollars,

Therefore, is it not wisdom on your part to encourage us while we are trying to save you money, and bring you nearer to the manufacturer? We desire to deal as directly with you as possible, thereby saving to you all extra commissions. We therefore invite all farmers, farmers' clubs and grange organizations to call on us before purchasing elsewhere. We manufacture all of our own brands of goods and guarantee them as represented. They are drier, have less acid and moisture than the usual city mixture and will drill perfectly. We guarantee them free from shoddy or any inactive material, and will

Guarantee them under Forfeiture of the Purchaser's Bill

to produce as good results in a crop contest as any other for the same money, and challenge competition. We are having reports of from 38 to 41 bushels per acre having been raised this year, from the use of our Phosphate. Besides the above guarantee we are offering

SPECIAL PREMIUMS

to wheat growers using our grades, as follows: $10 for the largest yield per acre on one acre or more.

$30 for the largest yield per acre on five acres or more.

$60 for the largest yield per acre on ten acres or more.

See circulars for further description. Our premiums last year were won by David Cover, of Winfield, and R. F. Cook, of Warfieldsburg.

The Biggest Yield of Wheat in Carroll County.

The following letter from Mr. Jno. H. Stem, one of the most reputable farmers in the county, is submitted for the benefit of our patrons and all those interested:

WINFIELD, MD., JULY 23RD, 1891.

H. S. ROBERTS & CO.—SIRS:—I threshed yesterday from a scant nine acre field, sowed with 300lbs. to the acre of your "BIG GUN AND PRIDE FERTILIZERS," 380 BUSHELS OF WHEAT, averaging about 42¼ BUSHELS TO THE ACRE. I sowed 1½ bushels of seed to the acre. These are facts that it seems to me the people ought to know. If any one doubts it, I am willing to substantiate it with my oath, and other proof if necessary.

A Great American Magazine.

THE SUCCESS OF "THE CENTURY" AND ITS PLANS FOR 1891.

The Century Magazine is now so well-known that to tell of its past success seems almost an old story. The N. Y. Tribune has said that it and its companion, St. Nicholas for Young Folks, issued by the same house, "are read by every one person in thirty of the country's population,"—and large editions of both are sent beyond the seas. It is an interesting fact that a few years ago it was found that seven thousand copies of The Century went to Scotland—quite a respectable edition in itself. The question in England is no longer "Who reads an American book?" but "Who does not see the American magazines?

A few years ago The Century about doubled its circulation with the famous War Papers, by Gen. Grant and others, adding many more readers later with the Lincoln History and Kennan's thrilling articles on the Siberian Exile System. One great feature of 1891 is to be

"THE GOLD HUNTERS OF CALIFORNIA,"

describing that remarkable movement to the gold fields in '49, in a series of richly illustrated articles written by survivors, including the narratives of men who went to California by the different routes, accounts of the gold discoveries, life in the mines, the work of vigilance committees (by the chairman of the committee) etc., etc. General Fremont's last writing was done for this series. In November appears the opening article, "The First Emigrant Train to California"—crossing the Rockies in '41-by Gen. Bidwell, a pioneer of pioneers. Thousands of American families who had some relative or friend among "the Argonauts of '49" will be interested in these papers.

MANY OTHER GOOD THINGS ARE COMING,—

the narrative of an American's travels through that unknown land Tibet (for 700 miles over ground never before trod by a white man); the experiences of escaping War-Prisoners; American Newspapers described by well-known journalists; accounts of the great Indians Fighters, Custer and others; personal anecdotes of Lincoln, by his private secretaries; "The Faith Doctor," a novel by Edward Eggleston, with a wonderfully rich program of novelettes and stories by most of the leading writers, etc., etc.

It is also announced that The Century has purchased the right to print, before its appearance in France or any other country, extracts from advance sheets of the famous Talleyrand Memoirs, which have been secretly preserved for a century—to be first given to the world through the pages of an American magazine. All Europe is eagerly awaiting the publication of this personal history of Talleyrand—greatest of intriguers and diplomats.

The November Century begins the volume, and new subscribers should commence with that issue. The subscription price ($4.00) may be remitted directly to the publishers, The Century Co., 33 East 17th St., New York, or single copies may be purchased of any newsdealer. The publishers offer to send a free sample copy—a recent back number—to any one desiring it.
