Notes on Plastering Cellars

Lima, Sheboygan Co. Wis. —

After the frame is as long as plastered, cut off the beams 2 feet above the floor. Square Lime Mortar is made by slaking lime in a tub, put 1½ gallons of water to a bushel of lime, stir it well, let it stand 1 hour, put a small bushel of sand to a barrel of lime, stir it well, let it stand 1 hour, then add 2 gallons more water
