Sir

I have yours of the 16th & reply to yours from Coleraine I wrote to you at Strangaer informing you that the Sloop that brought the porter from Cork was gone & that I made very inquiry at the Merchants who had Porter by her all of whom all of them had no more than of course & thus you stand a bad chance if the Welsh men come back I will inquire at him Yours &c

Dear Sir

I acknowledge the receipt of yours of the 1 Saturday & have to inform you that on that day I sold I sold 5 Hhds of your Tobacco say D being the lowest Character @ 5½ p ℔ to pay by Bills @ 3 & 4 months in a Mat Bank & Notes my endeavours have been to make a whole sale but being able to spare Some & not imprudent to pluck of a few of the worst quality though the price is not high, I could have sold the high Character but thought it most prudent to hold them - I let you understand that I shall be accountable for the debts in the sale of those Tobaccos or shall it be considered that you take the risque of the purchasers & that I shall charge a Commission for sales
