REPUBLICAN TICKET.

FOR GOVERNOR
WILLIAM J. VANNORT,
Of Kent county.

FOR COMPTROLLER,
JOHN McDONALD,
Of Montgomery county.

FOR ATTORNEY-GENERAL,
GEORGE M. SHARP,
Of Baltimore City.

FOR CLERK OF THE COURT OF APPEALS,
ENOCH B. ABELL,
Of St. Mary's county.

Meeting at Taneytown.

A Mass Meeting of the Republicans of Taneytown and adjoining districts will be held at Taneytown, on *Saturday, October 24th*, 1891, commencing at 1 o'clock, P. M. Col. Wm. J. Vannort, Capt. John McDonald, and Messrs. George M. Sharp and Enoch B. Abell, candidates on the Republican State ticket; Hon. Louis E. McComas, and Mr. W. L. Wellington will certainly be present on the occasion and address the people.

Our editorial space is restricted by press of advertising this week.

Mr. W. F. Rogers, the expert accountant who has been examining the books of Mr. George W. Morgan, who was Treasurer of Baltimore county from December 6h, 1887, to December, 2d, 1889, reports to the Commissioners that he finds cash unaccounted for, at the close of the term, to the amount of $24,390.64. A detailed report has not yet been made.

Charles Stewart Parnell, the great Irish leader, whose character latterly has been under a cloud because of his relations with the wife of Capt. O'Shea, whom he married after her husband obtained a divorce, died at his home in Brighton on Tuesday. His death is attributed by his wife to rheumatic fever, but rumors are in circulation that he committed suicide.

The official notice of the November election, published by Mr. S. Carr Wickert, Sheriff of the county, will be found in our advertising columns to-day. It embraces the several amendments to the Constitution of the State, and also the laws relating to the sale of liquor on election day and betting on elections, all of which should be read with care by the voters.

Mr. Frederick Raine, a prominent German-American Democratic politician of Baltimore, characterizes his native land as the "greatest of nations on earth." That sounds as if he is still more German than American. No true American will concede that any nation on earth is greater than his own. But, perhaps, Mr. Raine, like many other Democrats, does not consider the land of his adoption a nation at all.

The Democratic nominating convention of Baltimore was held on Wednesday and selected that perennial candidate, Ex-Mayor Latrobe, as the nominee for that station again. Mr. Kerr, who announced that he was not a candidate for re-election as State's Attorney, was nominated, much to the disgust of the several aspirants for that honor. Of course the whole ticket was made up by the bosses, as have been those of the counties generaly, also. The only part the masses of the Democratic party have in these matters, as a rule, is to vote for the candidates put up by the managers.

The Democrats of New York have received a severe blow in their state canvass by the resignation of Mr. Herman Oelrichs from the Democratic National Committee, and the reasons assigned for that action. Mr. Oelrichs is a man of large wealth and has also contributed liberally to the campaign funds of his party. He is not connected with any of the warring Democratic organizations of New York, but announces his unalterable opposition to the methods of Tammany. As that organization alone was admitted to representation in the state convention that nominated Flower for Governor he has concluded that he does not fairly represent the State on the National Committee, and so retires. His course is equivalent to any announcement that he will not support Flower for Governor.

Winter prevails in portions of the great Northwest. Snow has fallen in Minnesota and as far south as Kansas City, Mo., during the week. In South Dakota sleet and snow have prevailed with very cold weather. In Montana the snow reached a depth of three feet on a level.

Another of the Amendments.

The fifth of the series of amendments to the Constitution of the State to be voted upon at the approaching election, is, if adopted, to take the place of Section three of Article twelve and is as follows:

SECTION 3. The Board of Public Works is hereby authorized, subject to such regulations and conditions as the General Assembly may from time to time prescribe, to sell the State's interest in all works of Internal Improvement, whether as a stockholder or a creditor, and also the State's interest in any banking corporation, receiving in payment the bonds and registered debt now owing by the State, equal in amount to the price obtained for the State's said interest.

In view of the State's experience with the present administration there would seem to be no room for doubt about the propriety of making this section a part of the Constitution as speedily as possible. We may or may not soon again have a Governor ignorant of his constitutional duties; a Comptroller neglectful of the plain provisions of the law, or a dishonest Treasurer, but prudence dictates that the people should guard against the effects of such a contingency by removing the cause which afforded the means of an astounding defalcation. The amendment should receive the hearty support of the electors.

Letter from Texas.

FORT WORTH, TEXAS, OCT. 3RD, 1891.

EDITOR OF SENTINEL:—As I have been from home for some time and am having a slight attack of what is usually termed homesickness I will write you a few lines, hoping thereby to alleviate my disease. I have been placed on the collector's staff in our company since September 1st. I was collecting in Northwestern Indiana in September. It was my pleasure to spend the 19th and 20th of September with Mr. J. Wesley Poole and family, formerly of Westminster, at Pullman, Ills. They were well and doing well. I also met Messrs. Charles H. Sullivan and Joseph H. Stevenson, of Westminster, and Messrs. Norris and Lambert, of New Windsor, all of whom are doing well and pleased with Chicago and suburban towns. I spent the 30th of September in St. Louis, and attended the Exposition, which is now in full blast and well patronized, as it deserves to be. I left St. Louis at 8.10, P. M., for Fort Worth, Texas, and arrived here last night at 11 o'clock, half an hour late. Came over the Iron Mountain route, via Little Rock, at which place we took breakfast, and dinner at Texarkana at 2, P. M., when we took Texas Pacific for Fort Worth, getting supper at Minneola. The cotton fields along the route looked beautiful and are just in condition for what is called the first picking. I noticed at the waiting rooms at all the principal depots the following notices: "This room for White persons;" "this room for Negroes;" also the same kind of notices on the railroad cars. I failed to see anything very attractive in Arkansas. The buildings are poor, the houses through the country being nearly all weatherboarded with undressed oak boards and quite a number have the old stick and cla[illegible] chimneys. Buildings of all kinds [illegible] seem to have been cheaply bui[illegible] small in size, none painted, and but few even whitewashed. The principal products are cotton, short corn, pine logs, scrub or dwarf oak, sassafras, sumac, bob-tailed steers, gray mules and Democrats. The products of Texas seem to be about the same as Arkansas except that there are more Democrats. Fearing I may be intruding on your time and space I will close by sending kindest regards to all and hoping for the election of the entire Republican ticket.

Yours, &c., J. G. S.

The Ecumenical Conference.

The great Methodist Ecumenical Conference assembled in Washington, D. C., on Wednesday and is now in session. It was opened in the simplest manner, the senior Bishop in this country, Rev. Dr. Thomas Bowman, who presided, announcing a hymn, after the singing of which Bishop Keener, of the M. E. Church South, led in prayer. Bishop Wayman, colored, led in the repetition of the Apostle's Creed and after the singing of another hymn the inaugural sermon was delivered by Rev. Dr. Wm. Arthur, of London, England. Addresses of welcome were delivered by Bishop Hurst, and Rev. Dr. J. H. Carlisle, of Spartanburg, S. C., and responses made by Rev. Dr. T. B. Stephenson, of London, England, President of the Wesleyan Methodist Church; Mr. George Green, of Glasgow, Scotland, representing the Primitive Methodist Church of England, and Rev. R. Abercrombie, of Shrewsbury, England.

Among the representatives in the Conference are many of the ablest divines of the different Methodist bodies of the world, who rank with the most eminent clergymen of all denominations. An abler body of ecclesiastics is seldom, if ever, seen.

Fatal Accident in the B. & P. Tunnel.

A dreadful accident occurred in the Baltimore and Potomac tunnel, between Fulton and Pennsylvania Avenue Stations, on Wednesday afternoon. The Union Bridge accommodation train, which passes Westminster at 1.12, P. M., ran down a gang of workmen, two of whom were killed and four seriously injured, one or two of them probably fatally. The cause of the accident can be told in a few words. When the train reached Fulton Station the switchman in the tower received orders to switch it from the south to the north track. The workmen, who were repairing the north track, were not notified and supposed the train would pass them on the south track as usual. Hearing it approach they stepped immediately in front of it with the dire result stated. There were ten men in the gang of whom four escaped uninjured. The killed are Thomas Hughes, 48 years old, a widower with two children, residence Baltimore; and Julius Miller, 23 years old, single, residence Baltimore, German, and has been in this country only a year. The injured are Henry Kuhlman, aged 40, married and has four children, residence Baltimore, in a critical condition; Walter Durham, aged 25, residence Baltimore, probably fatally injured; Frederick Caples, aged 38, married, residence Elkridge, leg and arm broken, cut about the head; John H. Zink, 35 years old, residence Baltimore, internal injuries.

A daughter was born to Ex-President and Mrs. Cleveland, at New York, on Saturday last.

LeGore's
Improved Combination of Lime

is superior to all common grades of lime.

By this system and process, a full combination of the salts of lime are furnished, and as a cheap and powerful agent it beats bone. It has no equal. The choicest carbonates of lime exist here, perhaps, as no where else. We use from three different strata or deposits, burn in separate furnaces, and then mix and proportion it so as to act on all kinds of soil and crops. This has never been attempted by any other manufacturer. Our rock and improved facilities exceed any in the State. Farmers will not need a pound of bone where this lime is used. Don't be deceived or imposed upon any longer. Be sure you are right and get Legore's combination, and be convinced how easy, quick, and cheap land can be improved and full crops grown. Furnished in car load lots to suit. Farmers can order their own lime. Guarantee a genuine article or no pay. Send for testimonials, prices, etc. Address
