Sir Annexed you have Acct of Sugars on your 3 Hhds Sugar I find that the 2 Hhds will not bring more than from 70/0 to 72/0 ₩ Cwt wh will leave you a very small loss I wd therefore recommend your ordering them home as I think as I think you'll be able to obtain a better price Sugars are at present a mere drug here With respect to Teas they ~~they~~ are pretty plenty nor can I say of what price Yours wd bring unless I knew the Chest & stew samples &c I think you ought to sell it at home for more than it wd bring here

P.S. Say what I am to do with Sugars —
