Sir I am fav. with yours of the 6th inst. I have not forgot the Tea Certificates — The 3 Tierces of Sugar filled & sent off by Wright — The Weights are No 1 — 4 " 3 " 14 Gross Mrs. in Blue
2 — 4 0 3
3 " 5 1 " 26

My young man omitted weighing the Casks before filling hot at that time having got yr. Letter of Instructions however when first filled they were weighed & you'll find the tare scribed on each Cask with a Copper pen wh. will answer the purpose You have no right to make any allowance from the Mfrs. Invoice you with unless the Casks be filled in the mean time as they are properly weighed here if yr. Customers wd. chuse to weigh out the Sugar in pounds instead stones there wd. still be a much greater defc. than you mention but that in my mind you have nought to do with I hope you'll soon have good news about the Ices

Yours &c
C Birnie
