Belfast 14 July 1808

Thos Morgan
Cootstown

In reply to your's of the 4th Inst I
Sold & Insured any kind of Goods
under 4 p Cent nor do I believe does any other other
person I had a great dile of extra trouble with
the Teas & did not make any Extravagant charge
that I know of — As to the Sugar's I consider
the trouble that I had enormous & the Charges much
too low — Nor w^d I again take the same trouble
without charging a full Commission the same as
if I had Sold them having had far more trouble
in the one case than in the other

The Bal^ce of your Acc^t £5.7.9 having remitted
Mr Whelan no more than £100 — I will hand
to Mr Whelan to whom I will submit any
Charge you may deem erroneous whatever
& on the unfortunate Teas that may reasonably
attach to me I shall not object to being —
