I refer you to mine of yesterday & am since favd with yours of the 4th You could it enter into your head to warrant goods & then peggy free from Average how often are goods damaged so as to be entitled to Average for once they are lost? You must get it altered if a 1/4 p Cent prem. should be charged in case of damages I can never justify myself to the owners of those goods — get it altered & furnish me with the Ex charging your 1/4 p Cent as usual in such cases I charge 1/2 & of course will divide in course will divide in case of troubling you — Dont neglect there are 6 Tns of Alabaster — As to the Traders let Mr Mazin & Mr Stuart & you settle them as you please for I think I'll give myself no farther concern with them — Pray has Mr Y got a new Register or is the Johns title in yours Port

I am just favoured with yours of the 4 Curt enclosing a letter to Mr Th. H. who left Town yesterday I therefore altered the direction to Strabane & gave it to Capt Rogers of the Peggy cleared this day for Derry enclosed you have Bill of Lading for 17 Bls Ashes left out formerly & 12 Hds Sugar from Jas Mc wh I have ordered insurance for in Dublin the Ex of wh & other Chs I shall furnish you with in a few days — The Vessel you allude to was under my care but finding no goods offered he this day determined to proceed in Ballast in fact my opinion is that no communication can be held with Spain untill we make peace with France of wh there is no prospect at present as I considder Spain at present completely under the Dominion of their new King it wd therefore be hazardous in my opinion if you ever had goods ready to ship them for Spain there is now Less seems inclined If Dried Tallow can be had low or I shall advise you but at present it is not my opinion Knowledge lower than Quoted yesterday I sold good Alicante Barrilla at from 65/6 to 66/6 p Cwt — The Peggy sails tomorrow

American Ashes 95/
there is another cargo of Scilly arrived the price not fixed
