I wrote you about a week since in reply to your inquiries about Freights of Residuum & Ibrial saying that I could probably procure a Vessel to carry the same at 10/- p^r Ton & 12^s for Ibrial wt rates are very low – I think it likely you did not receive my letter as I requested an immediate answer wt is not yet rec^d – The Vessel I alluded to is gone but there is another I can now engage on same terms I may say in case if you are agreed to this offer I consider the Residuum to be shipt^d in Bulk
