I have not yet got a Vessel
for yr Timber I have as earnestly
~~not~~ engaged in so difficult a job, the have
not neglected it I assure you

Larne ~~Dublin~~

I received with your's of
the 2d Court at present I
cannot procure a Vessel for the purpose
you require It would be necessary for me
to know as near as possible the general
Length & Square of the Timber to be
loaded. for if the Timber be so long as
not to go down the Gates & of a large
Scantling it may be difficult to get
a small Vessel with a sufficiently
large hold
