B. Murray Dublin } Jany 20th with yours of the 5th but really I cannot with consistency comply with your request what may have been charged some time back for paper I cannot say but this I know that I measured some bundles to have at the lowest rate by measurement the Freight to have come to 25/ & more than what I at any rate made the charge it will appear very unnecessary for me to say to Mr Boswell you shd take less however when you convince him by former Bills of Lady that I have no more than usual I dare say he will send I think very reduced Houses as usual sometime Back
