Mr Sale of Concan

Sir By Capt Bates
letter of the 10th Inst I am informed he was
clear to proceed for several days previous & only
wanted a fair wind, now as the Wind has been quite
fair since yesterday morning the Capt of the Ship
got, I am led to conclude that either negligence
or some unforseen accident has occasd the delay
I am rather untowardly fixed having engaged all
the Paperings long since (who are now leaving me
unexpectedly) & many other preparations so far forward
as can till the Ship arrives, till when I must be
at a stand — I have now to beg that you will
enquire into the cause of delay & endeavour to
obviate it respectfully begging you will
subscribe Yours &c Chas Shaw
