Mr. David Harris

Dear Sir

I am sorry to find the Negro Boy that I purchased from Mr. Bohaw is subject to Convulsive fits last night he was seized with a fretty severe on his questioning him he said he says that it is the third time he has been affected that his Mistress was acquainted with the Circumstance Consequently I suppose he would not have purchased him if he had known he would have mentioned it In every other respect I am well pleased but in the circumstance I cannot think that I have a right to keep him as I was clearly unacquainted that he was sound and free from any material complaint Be pleased to take the trouble to ~~acquaint him~~ acquaint Mr. Bohaw that I wish to have the bargain cancelled and you will oblige

your very Respectfully
