Thursday June 25th	A dry day All hands working in the corn		
Friday June 26th	A wet day Nothing of importance done A fine growing rain		
Saturday June 27	All hands working in the corn		
Monday* June 29th	Continued working corn		* The army of the Potomac came through our neighborhood & the battle of Gettysburgh commenced *July 1st & continued on the afternoon of the 2nd & on the 3rd with great violence. The booming of the cannon, especially on the 3rd from 3 A.M. to Night was terrific. The Confederate army was repulsed with heavy loss & retreated towards Virginia. Providence has thus mercifully delivered our neighborhood from desolation. Our own men very civil & orderly; it gave us pleasure to contribute to their comfort after a long & tiresome march
Tuesday 30th June	A damp day & some rain Reap'd Davidson cut some wheat		
Wednesday July 1	A fine day All hands at the grain		
Thursday July 2	A dull day nothing of importance done		
Friday July 3	A warm day All hands at the grain
