parts of Pennsylvania, & in the state of Ohio, they are both had in great abundance, as well as plenty of Deers, but in the warm season they cannot be drawn so far with safety. In order there a full & equal supply we must let the purchaser have, a farm near Fortress Munro in his permit to be healthy —

Have you any thing of the exact range, & its price? What are the reputations with regard to cows & the other crops? Mr Moore says Mrs Bennie requires no entreaties as you have one, & you & she are one flesh —

The President & Mrs Polk sails for Boston today. One of the passengers a McGhee who goes back in her, with her husband, got a bill on Boston from us to take back with him. He intends returning soon —

Mr Polk John Henry & Dennis sit out this morning on a joint tour to York & Lancaster they will return in a few days — No news since you left, except that it is said the letter & papers offered to Poland, will suffer severely; a great deal lies over. It is supposed that the people had sand a great deal of their own sand, indeed Mr Forster writes that he thinks the bed of that hole is worn. Compliments to Mrs Bennie

yours truly

J Polk
