Sir

I have the honor to inform you that the Lord Lieutenant has received your letter of the 9th inst. and has directed me to acquaint you that he has taken the subject of your application into his consideration, and regrets that it is not in his power to comply with your request, but he has directed me to state that you may consider yourself authorized to employ the Constabulary in the manner you propose, if you think it necessary, and he will be prepared to defray the expense of their employment, when the service is completed, upon a detailed account being submitted to him.

I have the honor to be
Your obedient Servant
