Dear Cloty

I take the favourable opportunity of sending you Lewis by John Jenkins Letter but little thot you May expect, I waited with Great Patience for your Letter Dated the 25 April which I Recd two Days ago I am extremely Happy to find that you have got over a considerable part of your Troubles in Removing to that Country I know you have Lundery Letters by the same conveyance which perhaps will give you General Information with Regard to Politics the only thing that I will say is that our situation is not better than when you left it this the Whole or Nearly so of our Regular army is in Spain Prior to this there has been two Battles in Spain
