bring them on - If you are able to get them for me - mention how I shall pay for them - I can lodge the Money in Balt.e or Friederick Town Bank - at any time - as may be pointed out -

If the Sheep should come & it was possible to find a Bullock or two - pretty fat - not exceeding 8 Dollars p.r C.t - I should be very glad to have them - This is giving you more trouble than I ought perhaps at this busy season of the year.

We are all here exactly as you left us - Mrs. Tod. Miss Fred. - Miss Bennie & Mrs. M all well & beg to be remembered to Mrs. B & yourself - Mr. U. Bird not yet returned -

Yrs. with regard -

A. Maynadier -
